CHINESE WARLORD'S SEX SLAVE

FEATHER

Princess Xiao Meiyun has been captured and is being held prisoner in the dungeons of her enemies. At one time, Princess Xiao Meiyun had been the Supreme General of the royal troops defending the city of Tianjing against the ruthless warlord General WangLun and his murderous Qing army. Life was hard and the battles were fierce. She led her glorious troops in hundreds of victories, and celebrated their successes in the arms of her beloved, Captain HongRen. But all too soon her life became a living hell at the hands of the evil WangLun and his sadistic overlord, Prince Liu. Now she is a sex-slave, sentenced to live out her days catering to their every whim and perversion. They seek to break her with their degradations, but she has vowed to defy them ... to the end.
The Princess does not know how long she has been held in the dark, cold dungeon. She only knows that she has been chained and tightly bound in such a way that all the most intimate parts of her body are open to all who seek to slake their lusts.
© DOFANTASY.COM
Her captors allow her no rest. The guards come at her whenever they want and she is forced to please them however they demand... sucking their cocks, suffering their brutal hands pinching and bruising her tender flesh...
In the rare few times she finds herself alone, she tries to sleep to keep up her strength.
Sleeping or waking, PRINCESS Xiao Meiyun cannot escape the nightmare of her capture. The capital city, Tianjing, had been surrounded by the forces of the rebel warlord, General WangLun. Princess Xiao's forces broke through the enemy's encirclement, but she was captured at ZheJiang. That was the start of the horror her life has become.

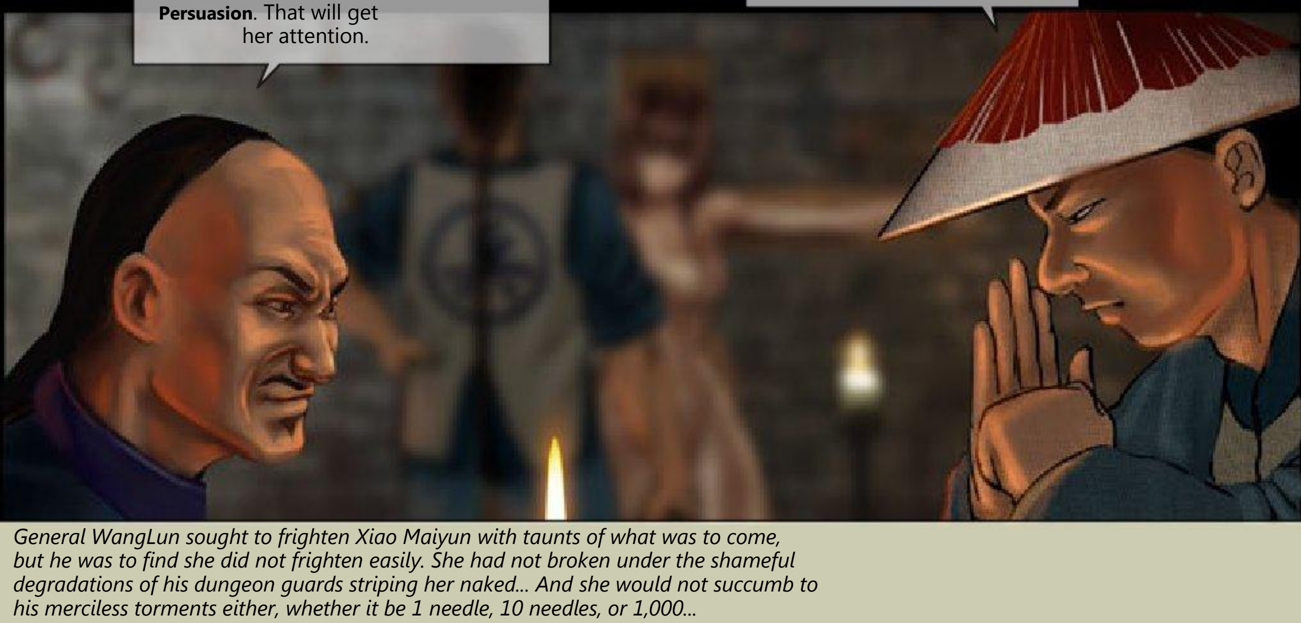

© DOFANTASY.COM

Sleep, even that filled with nightmares, is not allowed for long in the dungeons of General WangLun. Princess Xiao Meiyun is rudely awakened by a bucket of ice, foul water thrown across her naked body. Her sensitive skin reacts to the cold: despite her efforts to remain impassive toward her tormentors, her nipples harden and enlarge in reaction to the icy shock.
Wake up, **whore**. That cold water should get your attention. We have **lots** planned for you today. **Hahahaha!!**
© DOFANTASY.COM

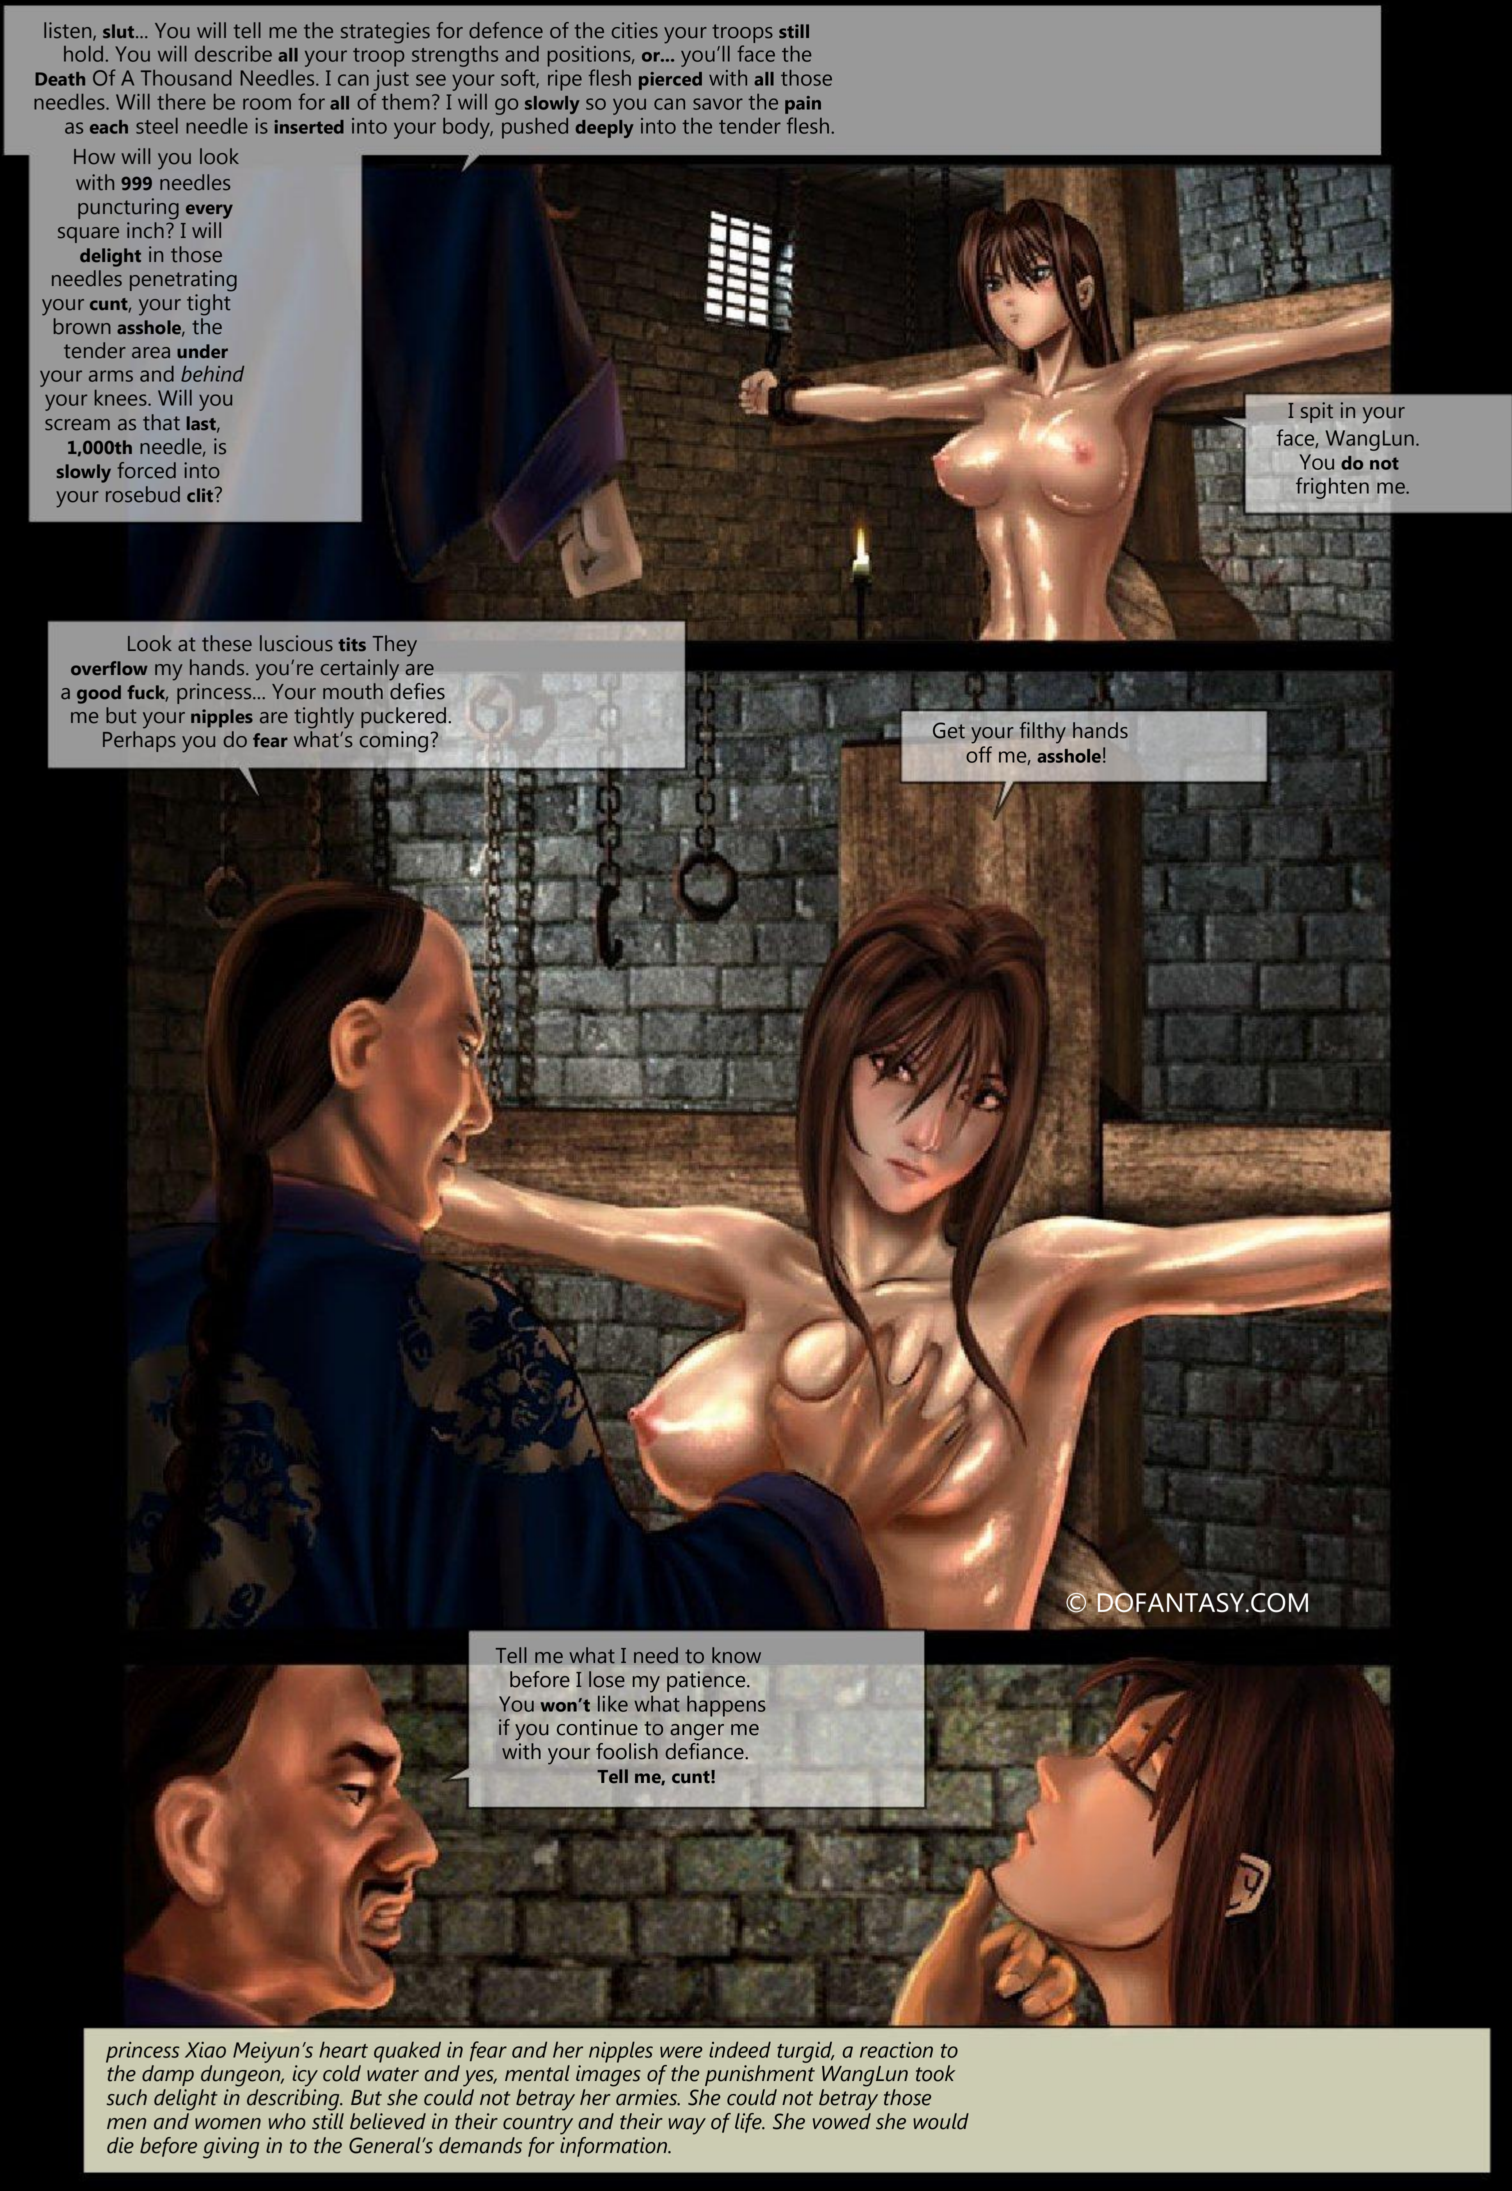

The guards delight in tormenting princess Xiao Meiyun with descriptions of all the devices of punishment and persuasion the dungeon is stocked with. Chains of all sizes, whips, clamps, pulleys, collars and more. Each device is designed to be more painful or humiliating than the previous one.

General WangLun sought to frighten Xiao Maiyun with taunts of what was to come, but he was to find she did not frighten easily. She had not broken under the shameful degradations of his dungeon guards striping her naked... And she would not succumb to his merciless torments either, whether it be 1 needle, 10 needles, or 1,000...

© DOFANTASY.COM

listen, slut... You will tell me the strategies for defence of the cities your troops still hold. You will describe all your troop strengths and positions, or... you'll face the Death Of A Thousand Needles. I can just see your soft, ripe flesh pierced with all those needles. Will there be room for all of them? I will go slowly so you can savor the pain as each steel needle is inserted into your body, pushed deeply into the tender flesh.
How will you look with 999 needles puncturing every square inch? I will delight in those needles penetrating your cunt, your tight brown asshole, the tender area under your arms and behind your knees. Will you scream as that last, 1,000th needle, is slowly forced into your rosebud clit?
I spit in your face, WangLun. You do not frighten me.
Look at these luscious tits They overflow my hands. you're certainly are a good fuck, princess... Your mouth defies me but your nipples are tightly puckered. Perhaps you do fear what's coming?
Get your filthy hands off me, asshole!
© DOFANTASY.COM
Tell me what I need to know before I lose my patience. You won't like what happens if you continue to anger me with your foolish defiance. Tell me, cunt!
princess Xiao Meiyun's heart quaked in fear and her nipples were indeed turgid, a reaction to the damp dungeon, icy cold water and yes, mental images of the punishment WangLun took such delight in describing. But she could not betray her armies. She could not betray those men and women who still believed in their country and their way of life. She vowed she would die before giving in to the General's demands for information.

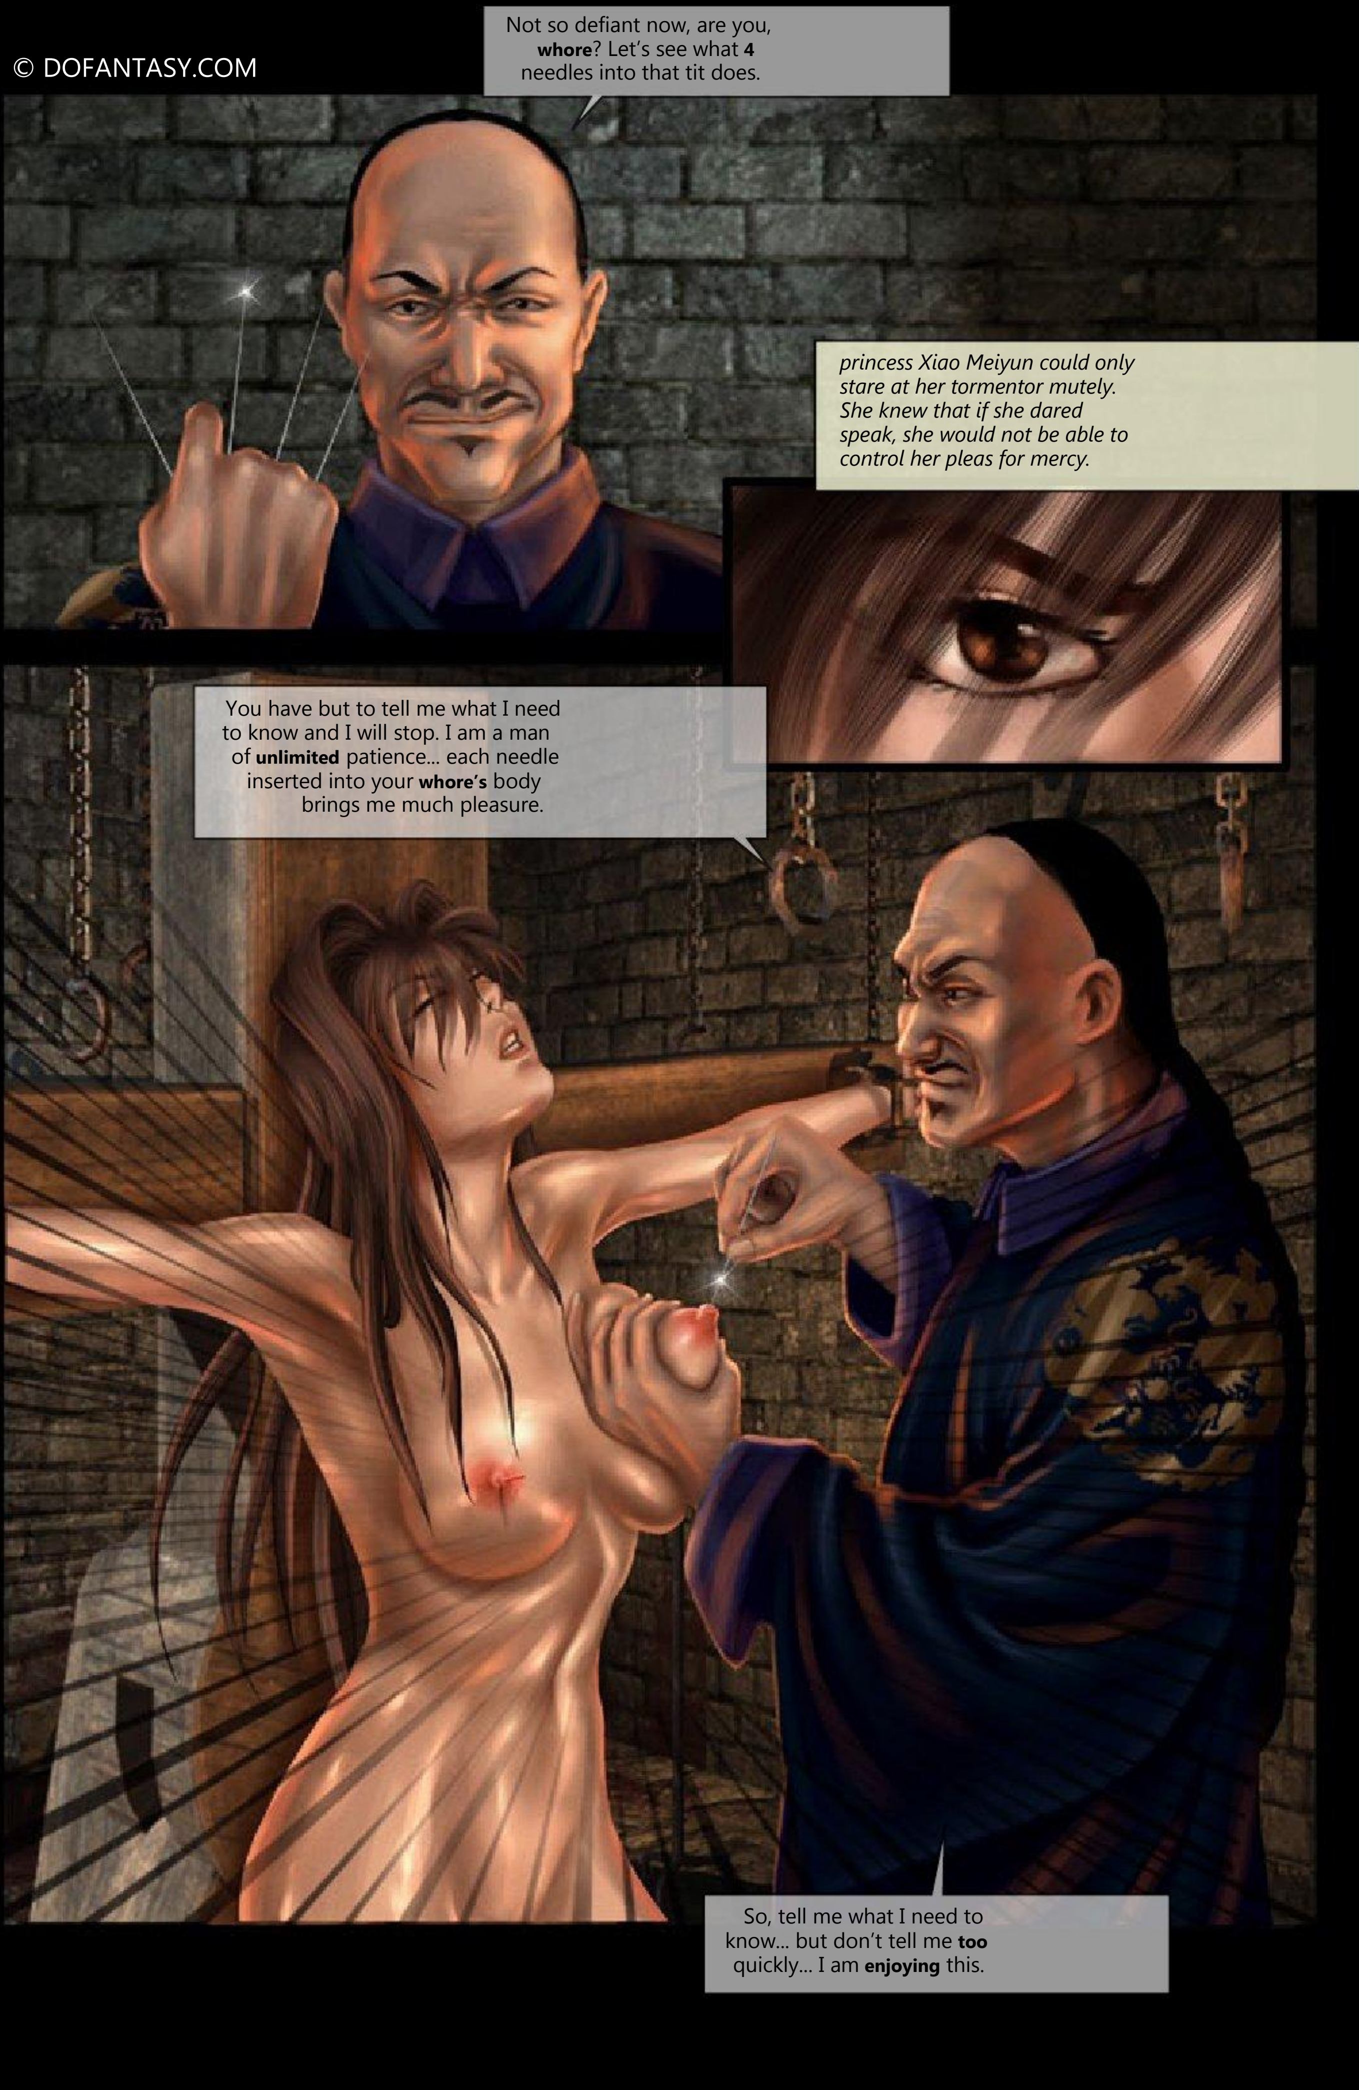

© DOFANTASY.COM

princess Xiao Meiyun thought she knew what pain was. After all, she was a warrior, a general who had led troops into battle. But she was not ready for the excruciating fire that radiated from her nipple and through her breast like a trickle of flame suddenly blazing into a raging inferno. The shock of that needle violating her raced through her body and she could not prevent the scream that echoed and re-echoed around the stone walls of my dungeon...

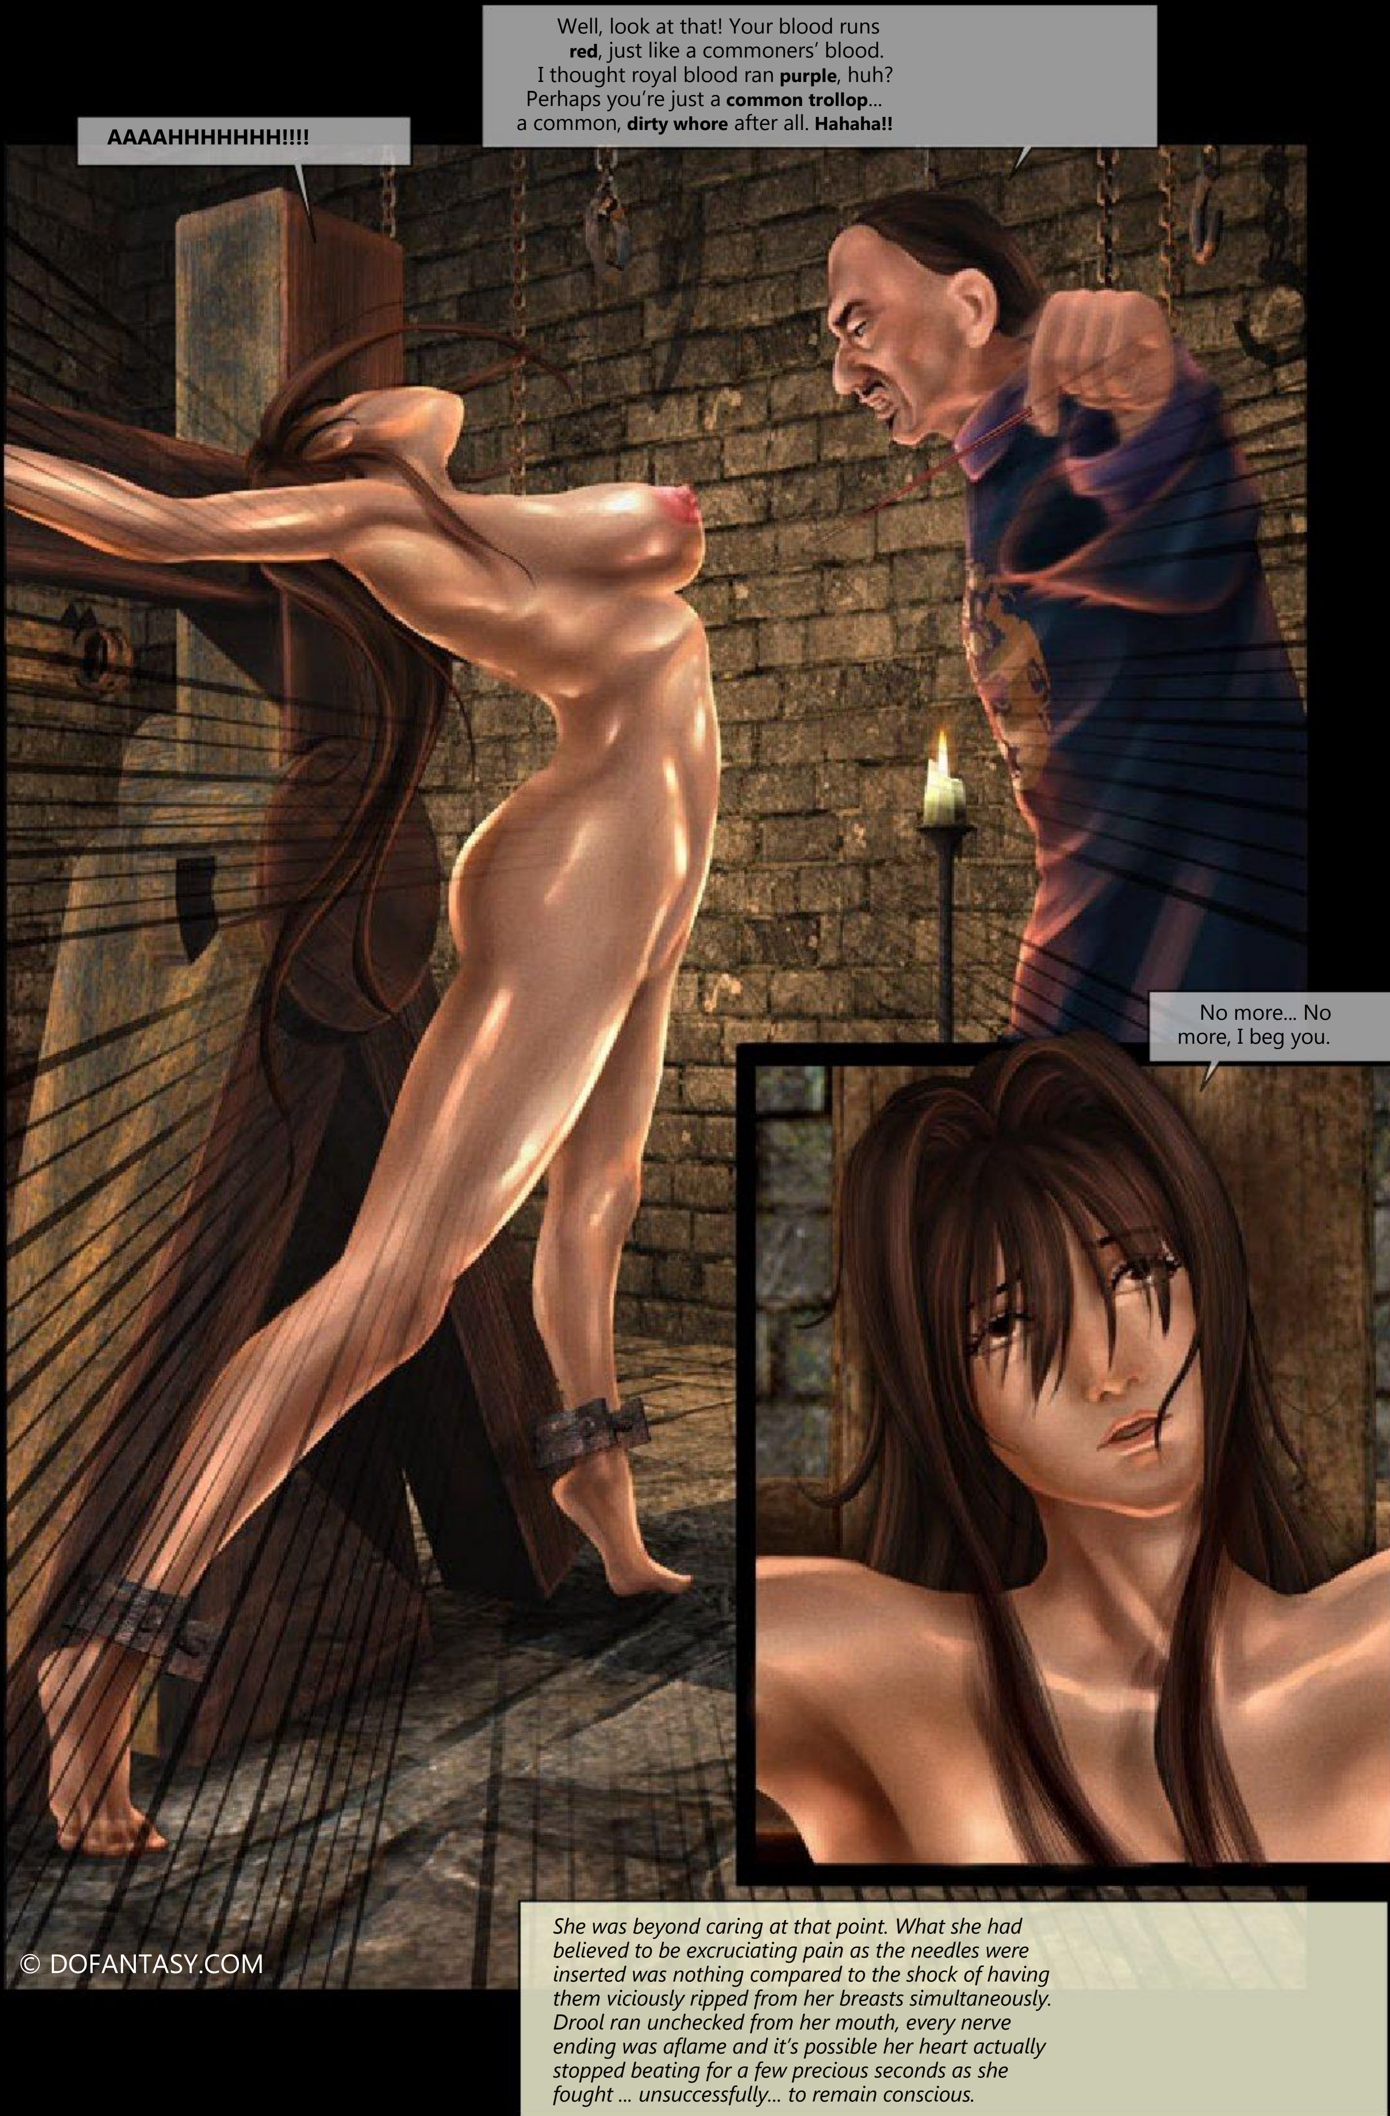

© DOFANTASY.COM

© DOFANTASY.COM

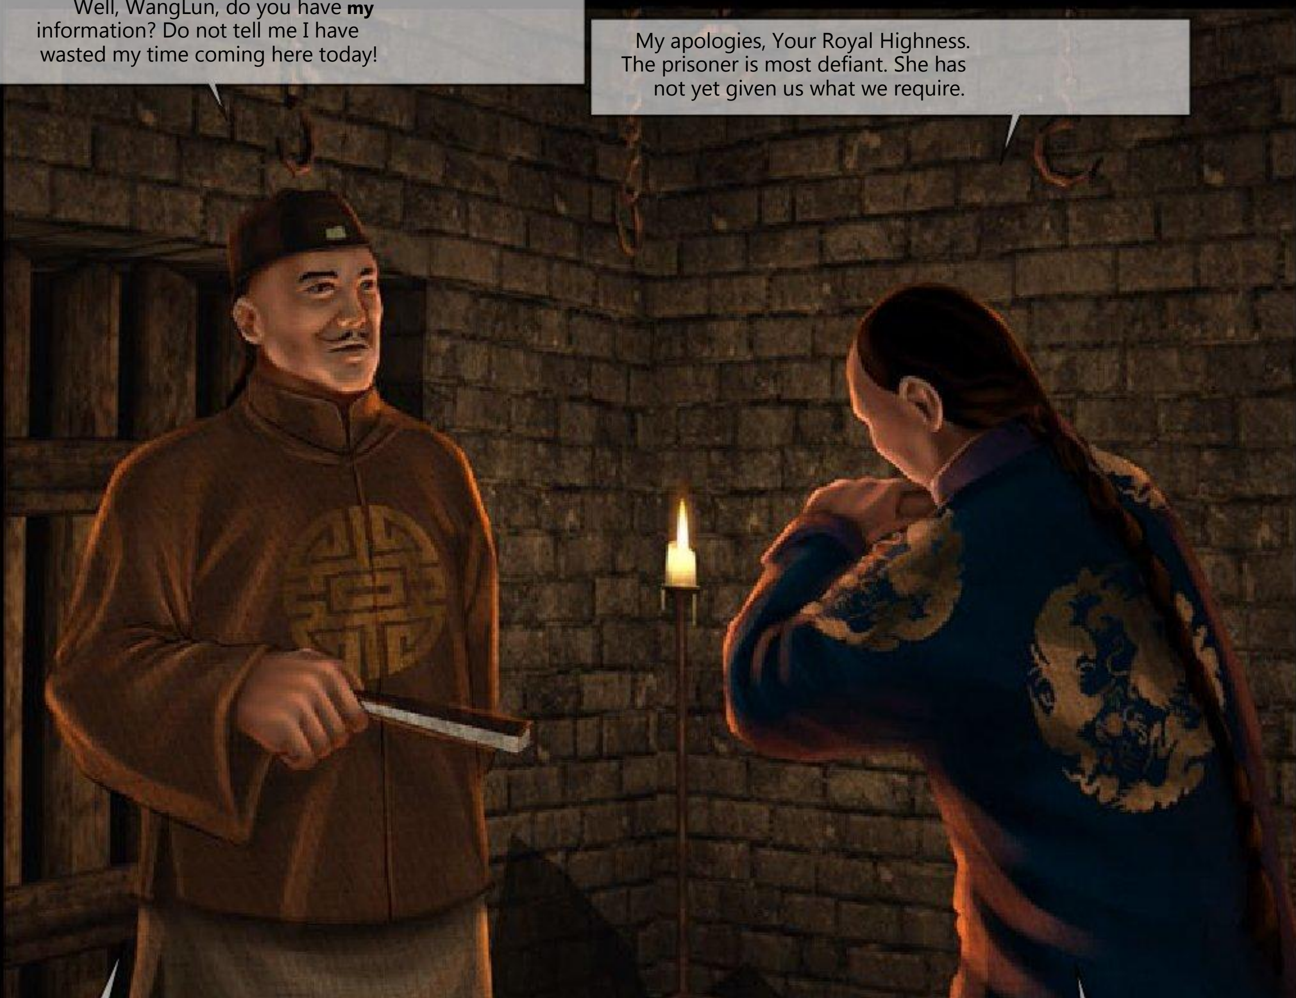

Ever so slowly, one excruciating inch at a time, WangLun forced the needles deep into princess Xiao Meiyun's rigid nipples. After 45 agonizing minutes, each nipple was pierced with 4 needles, each inserted over 6 inches into her luscious breasts.
© DOFANTASY.COM
Still you defy me! Do I admire your determination... or does it merely force me to invent even **more** creative ways to interrogate you, **whore**?
I will... not... I cannot ... betray my people. So... go **bugger** yourself, ... General Dickhead!

In frustration, General WangLun grasped princess Xiao Meiyun's ravaged breasts in his strong, callused hands. He squeezed until he could feel the thin metal rods against his fingers. Her breasts began to turn purple, but in his rage he only squeezed harder.
No!!!! Stop!
Tell me, bitch, or I will hurt you even more!
Is that **all** you've got, you **psycho**?
I'll **never** betray my people, get it through your **thick** skull.
I'm not used to being defied, **bitch**... and I don't like it!
© DOFANTASY.COM
In a renewed fit of temper, General WangLun ripped all 8 needles from princess Xiao Meiyun's breasts without warning. His victim's wrenching screams did little to ease his anger at her willful defiance.

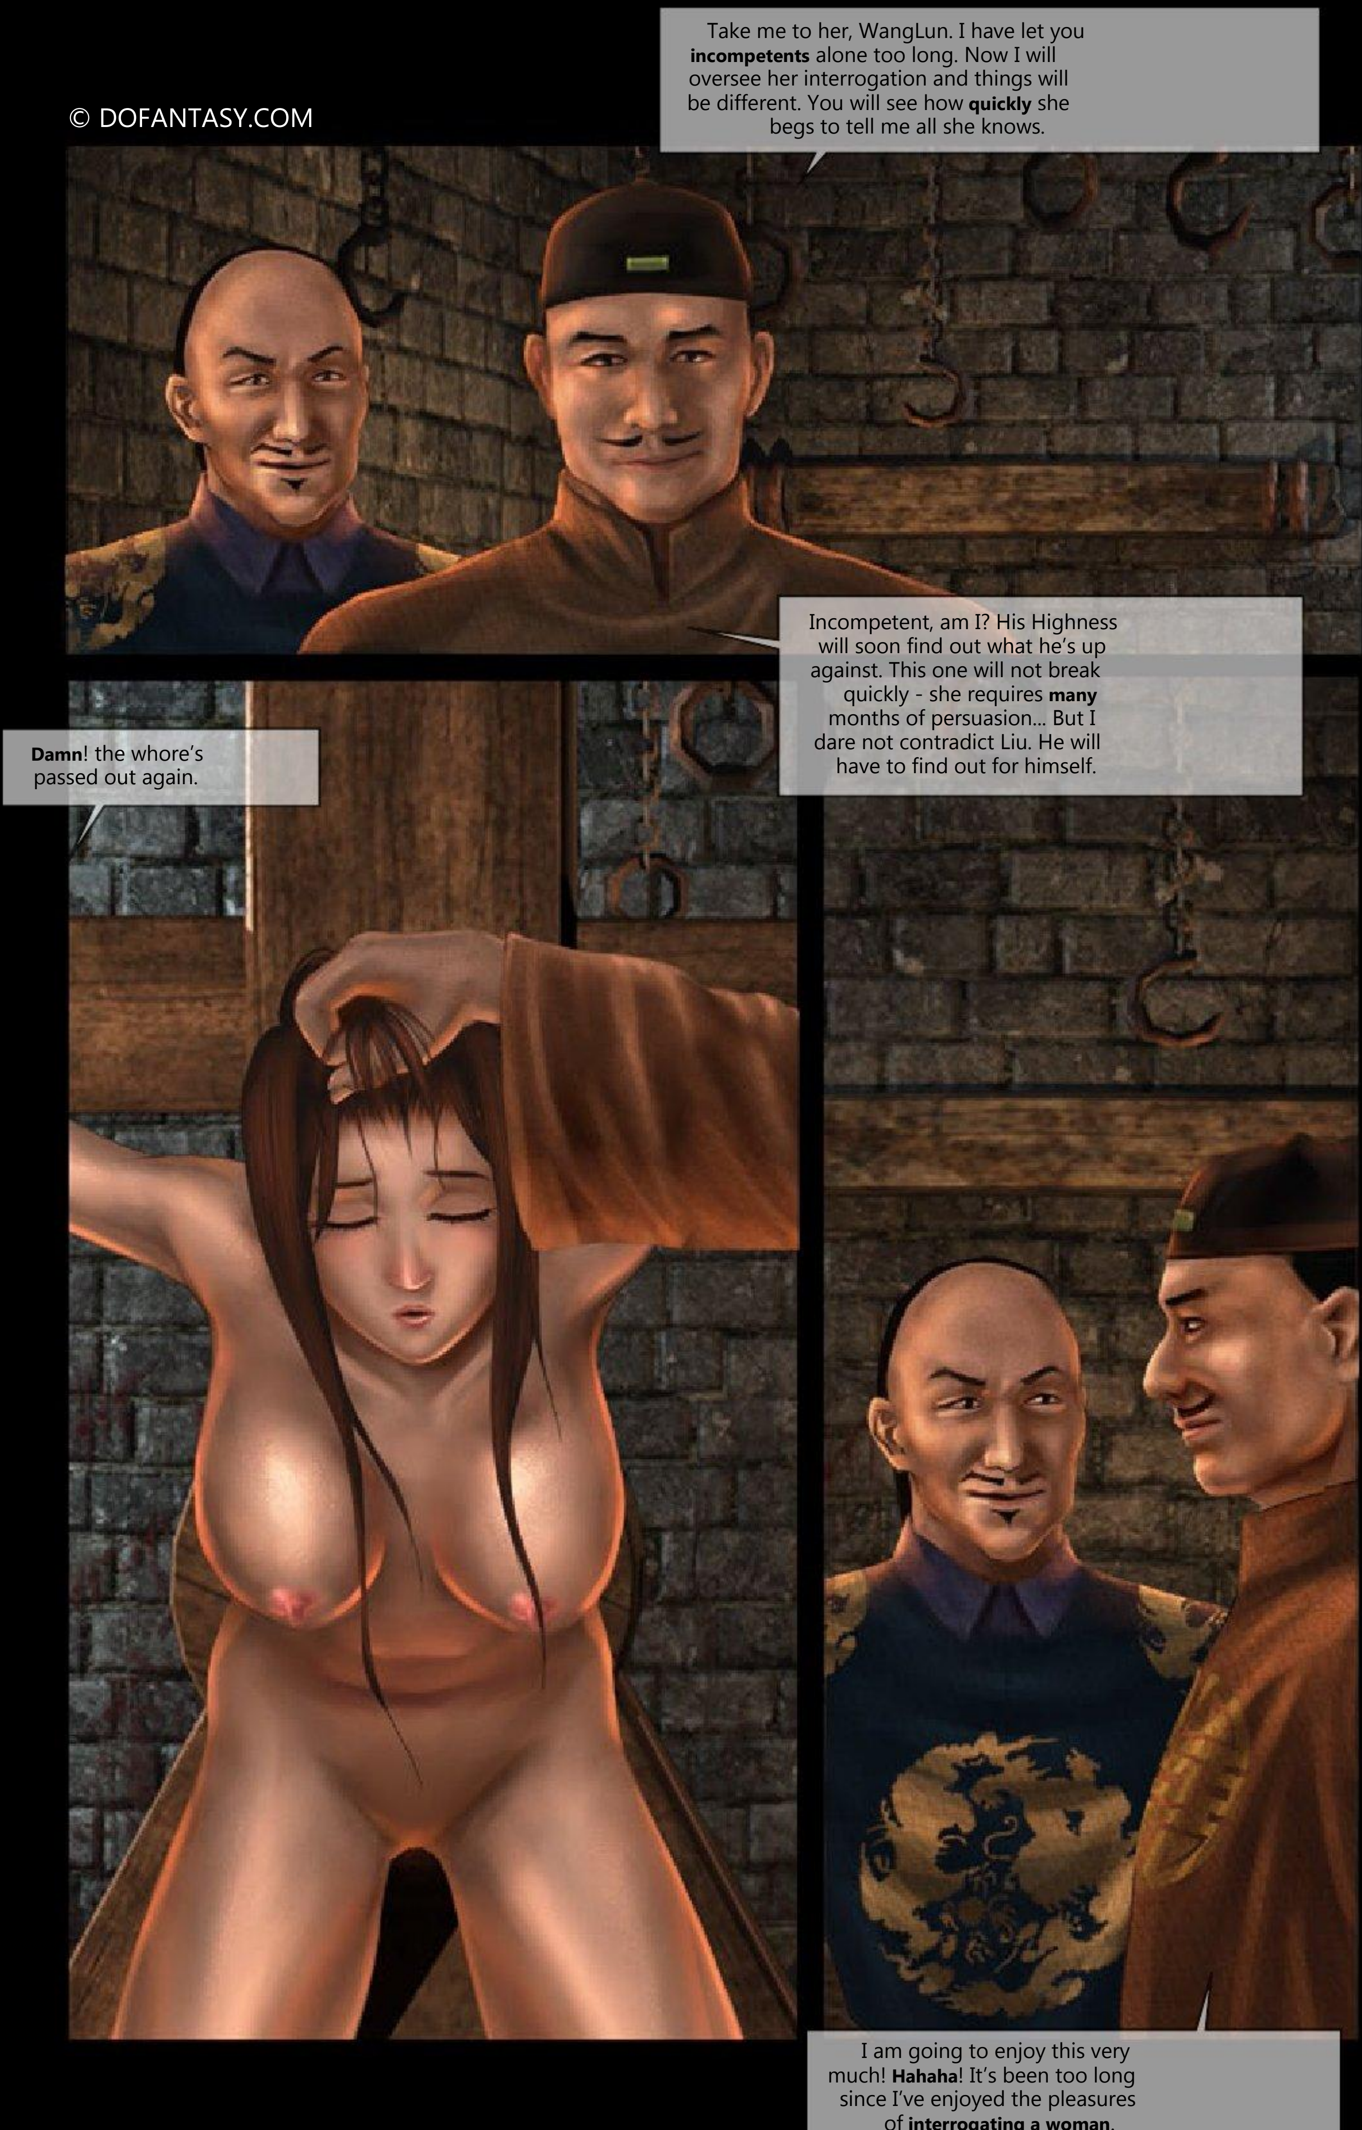

AAAAHHHHHHH!!!!
Well, look at that! Your blood runs **red**, just like a commoners' blood. I thought royal blood ran **purple**, huh? Perhaps you're just a **common trollop**... a common, **dirty whore** after all. **Hahaha!!**
No more... No more, I beg you.
She was beyond caring at that point. What she had believed to be excruciating pain as the needles were inserted was nothing compared to the shock of having them viciously ripped from her breasts simultaneously. Drool ran unchecked from her mouth, every nerve ending was aflame and it's possible her heart actually stopped beating for a few precious seconds as she fought ... unsuccessfully... to remain conscious.
© DOFANTASY.COM

© DOFANTASY.COM

© DOFANTASY.COM

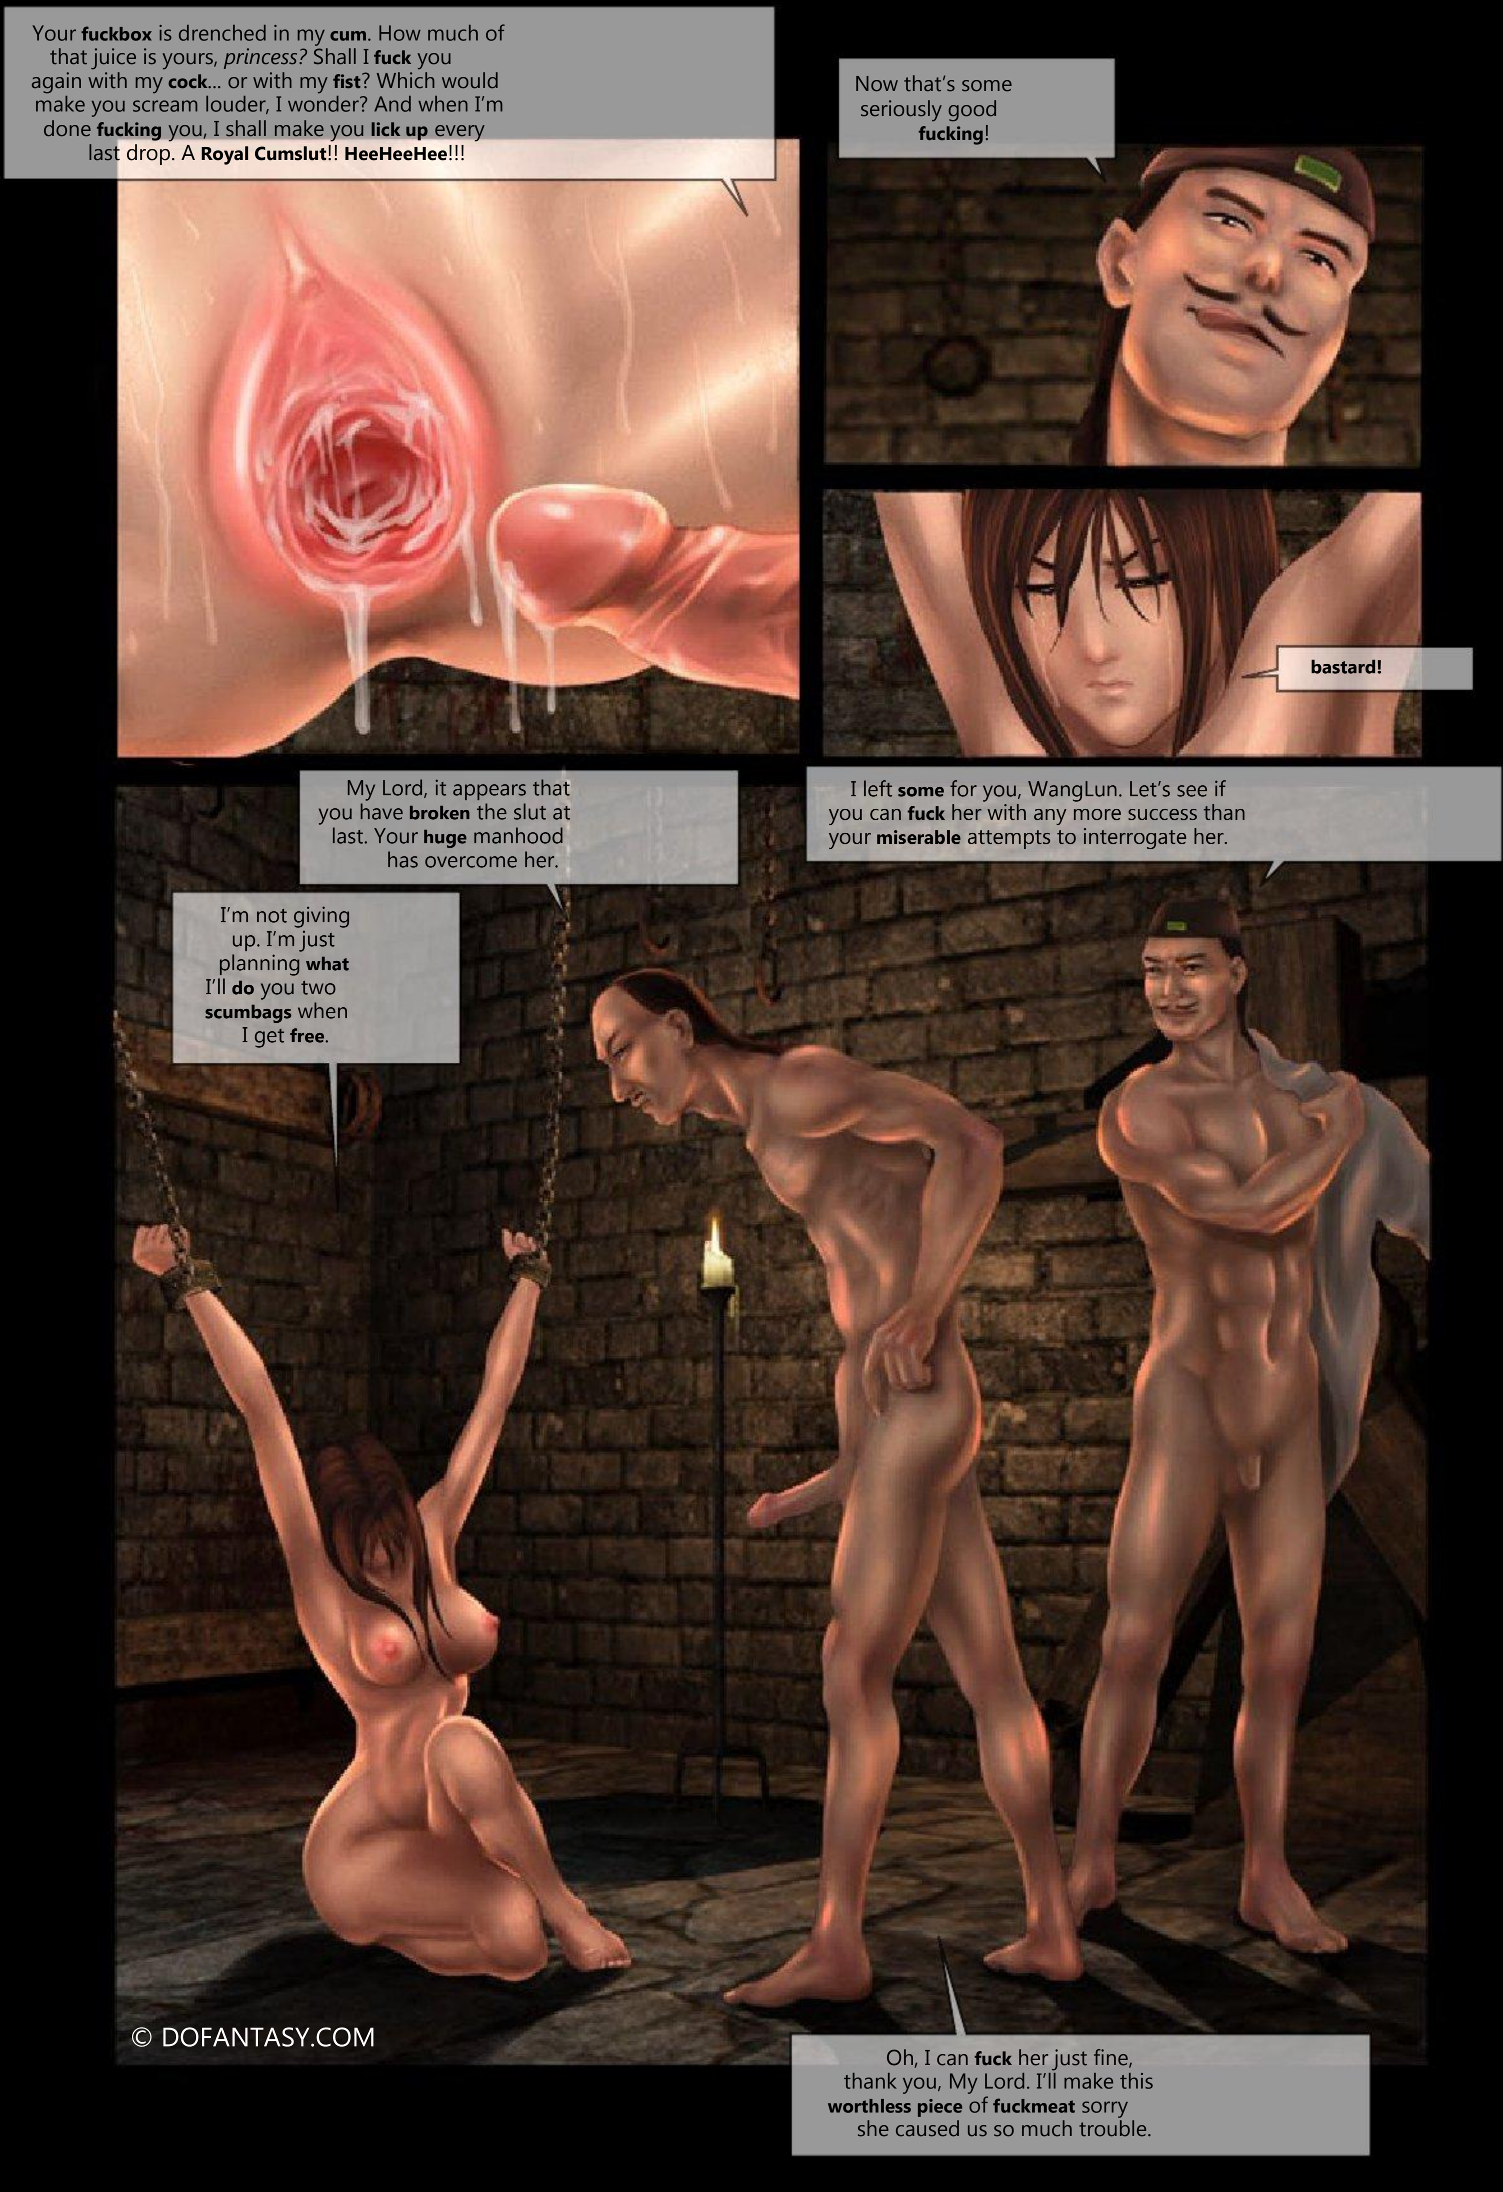

Get her awake. **Now**! Throw a bucket of cold water on her to clean her up, then go outside and await further orders.
Wake up, slut! His Highness Liu YaoZhu demands to speak to you.
© DOFANTASY.COM
May I ask what you have planned, Your Highness? Perhaps the **Devil's Horn**, one of my personal favorites. No woman can withstand the **Devil's 10, Pronged Horns**. **HeeHeeHee**!
princess Xiao Meiyun fought against her bonds. She was chained so high only the tips of her toes could touch the floor. If she relaxed for only an instant, the weight pulling on her wrists made her fear her arms would tear from their sockets. Liu and WangLun merely laughed at her pain.
Yes, WangLun. For once you have a good suggestion. I will watch with great **pleasure**...

Despite all the degradation princess Xiao Meiyun had already experienced, she knew this time would be different. There was a savage, animal-like gleam in Liu YaoZhu's eyes that assured her he was the most sadistic of men. Hundreds of stories were told and retold around the royal troop campfires of his inhuman need to subject his captives to ever-increasing levels of degradation and sadistic perversions. Liu did not think of captives as men and women: they were merely animals to exploit... and discard when he was finished with them.
On second thought, the **bitch's** too **luscious** and **ripe** to waste on guards without getting a **taste** of her for **myself** first.
Yes, of course, she is very **hot**. that **royal slut** makes my dick hard just looking at her.
I'm going to bite these succulent little nipples **right off**, Princess. Then I'm going to **fry** them up in a pan and **make you** eat them, kneeling at my feet and **begging** for more.
© DOFANTASY.COM
As General WangLun watched in perverted delight, Liu began to savage princess Xiao Meiyun. His battled-hardened hands mauled her breasts, his teeth bit and chewed her needle-mangled nipples. He pawed at her sex, indifferent to her muted protests. In fact, knowledge that he was causing her great distress only spurred him on to further acts of pain. Finally, he thrust his huge, engorged penis deep into her pussy.
Shall I do the same with your **royal clit**? Bite **it** off? Perhaps I'll feed it to the castle dogs. They enjoy fresh meat, too. They won't care if it's only **whore's** meat. **Hahaha!!!**
On second thought, I'll let you keep your clit. I want you to **feel** my cock **fucking** you, I want you to writhe and scream with every man that I let **fuck** you. The greater your pain and discomfort, slut, the greater my enjoyment!!

princess Xiao Meiyun knew the more she begged him to stop, the more he would hurt her. Fear and pleading only drove him to even more savage acts. But she could not keep quiet. She would not give him the military knowledge he sought, but his huge prick slamming into her dry, ravaged body forced her to scream in useless protest.

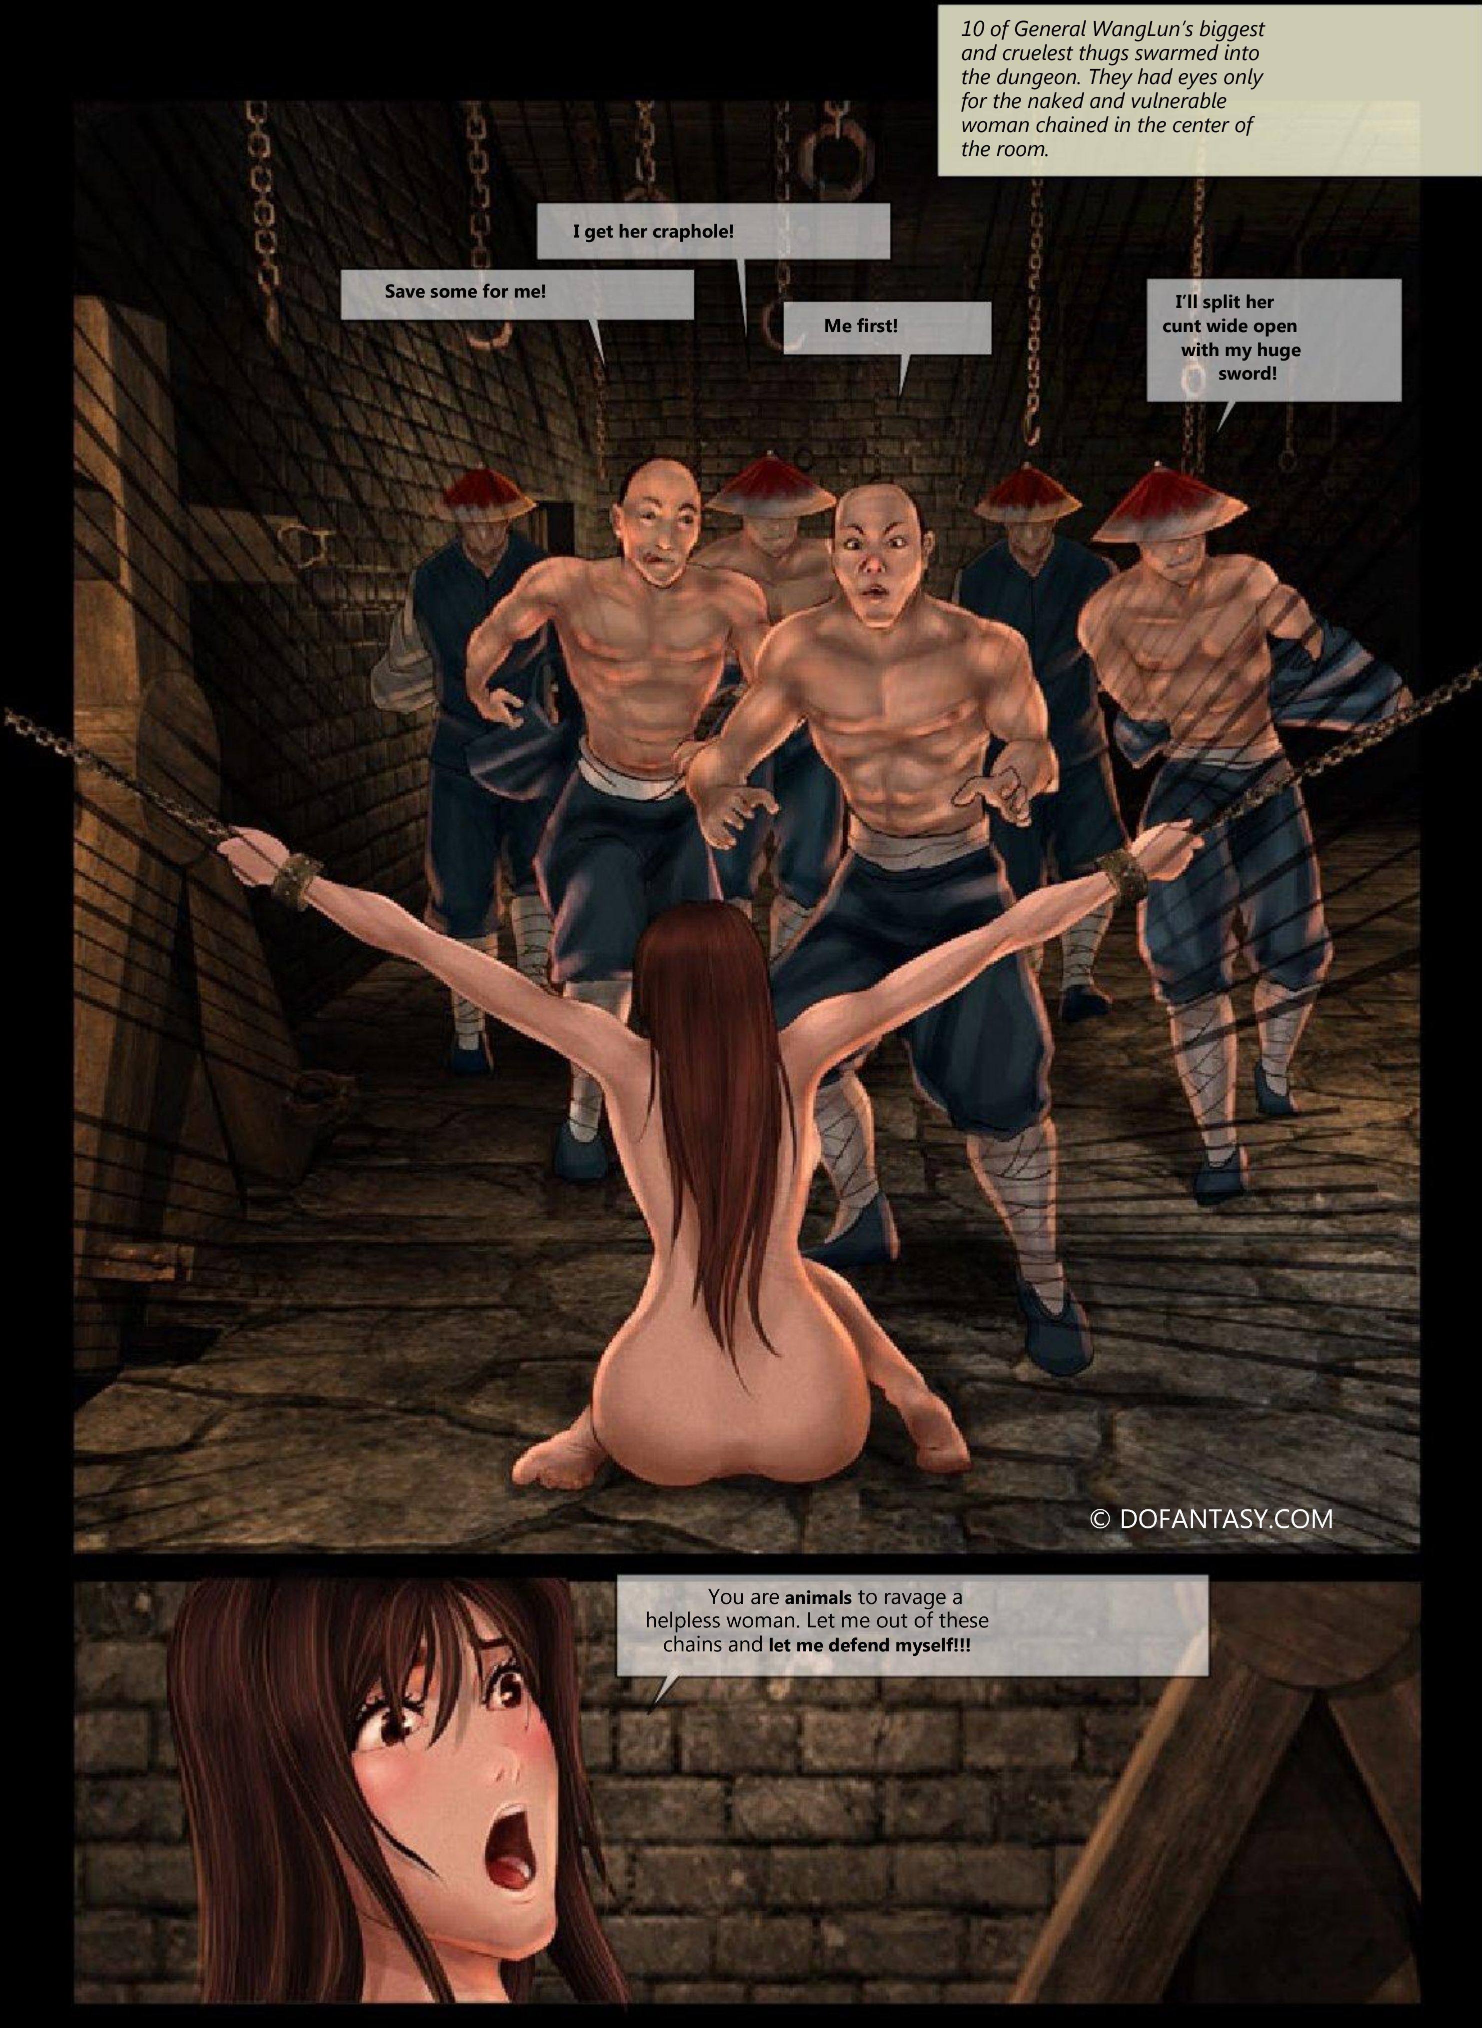

I hear WangLun used his **Needles of Persuasion** on these **gorgeous** tits. Are they still painful? Let's see if I can hurt them even **more**, shall we? **Hahahahaha!!!**
Oowwww!! Nooo! Don't!
Ah-ha! A **royal slut** must pee just like a lowly slave. Shall I make you lick it up when we are finished? Too bad you have no servants at your bidding, isn't it? **Hahaha!**
© DOFANTASY.COM
Fuck me if you must, but **do not** cum inside me, **I beg you**!
Ahhhh!! Milk my balls, slut! Yessss, **suck** me with your **cunt**... **Pull me deep inside!** Yesssss!!!
You're not in any position to demand anything, **slut**!! Feel my **hot cum** fill your **twat**. There will be **more**, I promise.

Your fuckbox is drenched in my cum. How much of that juice is yours, princess? Shall I fuck you again with my cock... or with my fist? Which would make you scream louder, I wonder? And when I'm done fucking you, I shall make you lick up every last drop. A Royal Cumslut!! HeeHeeHee!!!
Now that's some seriously good fucking!
bastard!
My Lord, it appears that you have broken the slut at last. Your huge manhood has overcome her.
I left some for you, WangLun. Let's see if you can fuck her with any more success than your miserable attempts to interrogate her.
I'm not giving up. I'm just planning what I'll do you two scumbags when I get free.
Oh, I can fuck her just fine, thank you, My Lord. I'll make this worthless piece of fuckmeat sorry she caused us so much trouble.
© DOFANTASY.COM

You're nothing but Liu's **flunky**, WangLun. I'm **not** afraid of him... and I have even **less** to fear from his **underling**. Does it make you feel like a big man when he gives you his **left-overs**?
© DOFANTASY.COM
Suck me, bitch. Just shut up and suck my cock!!!
Mmmfff!!!

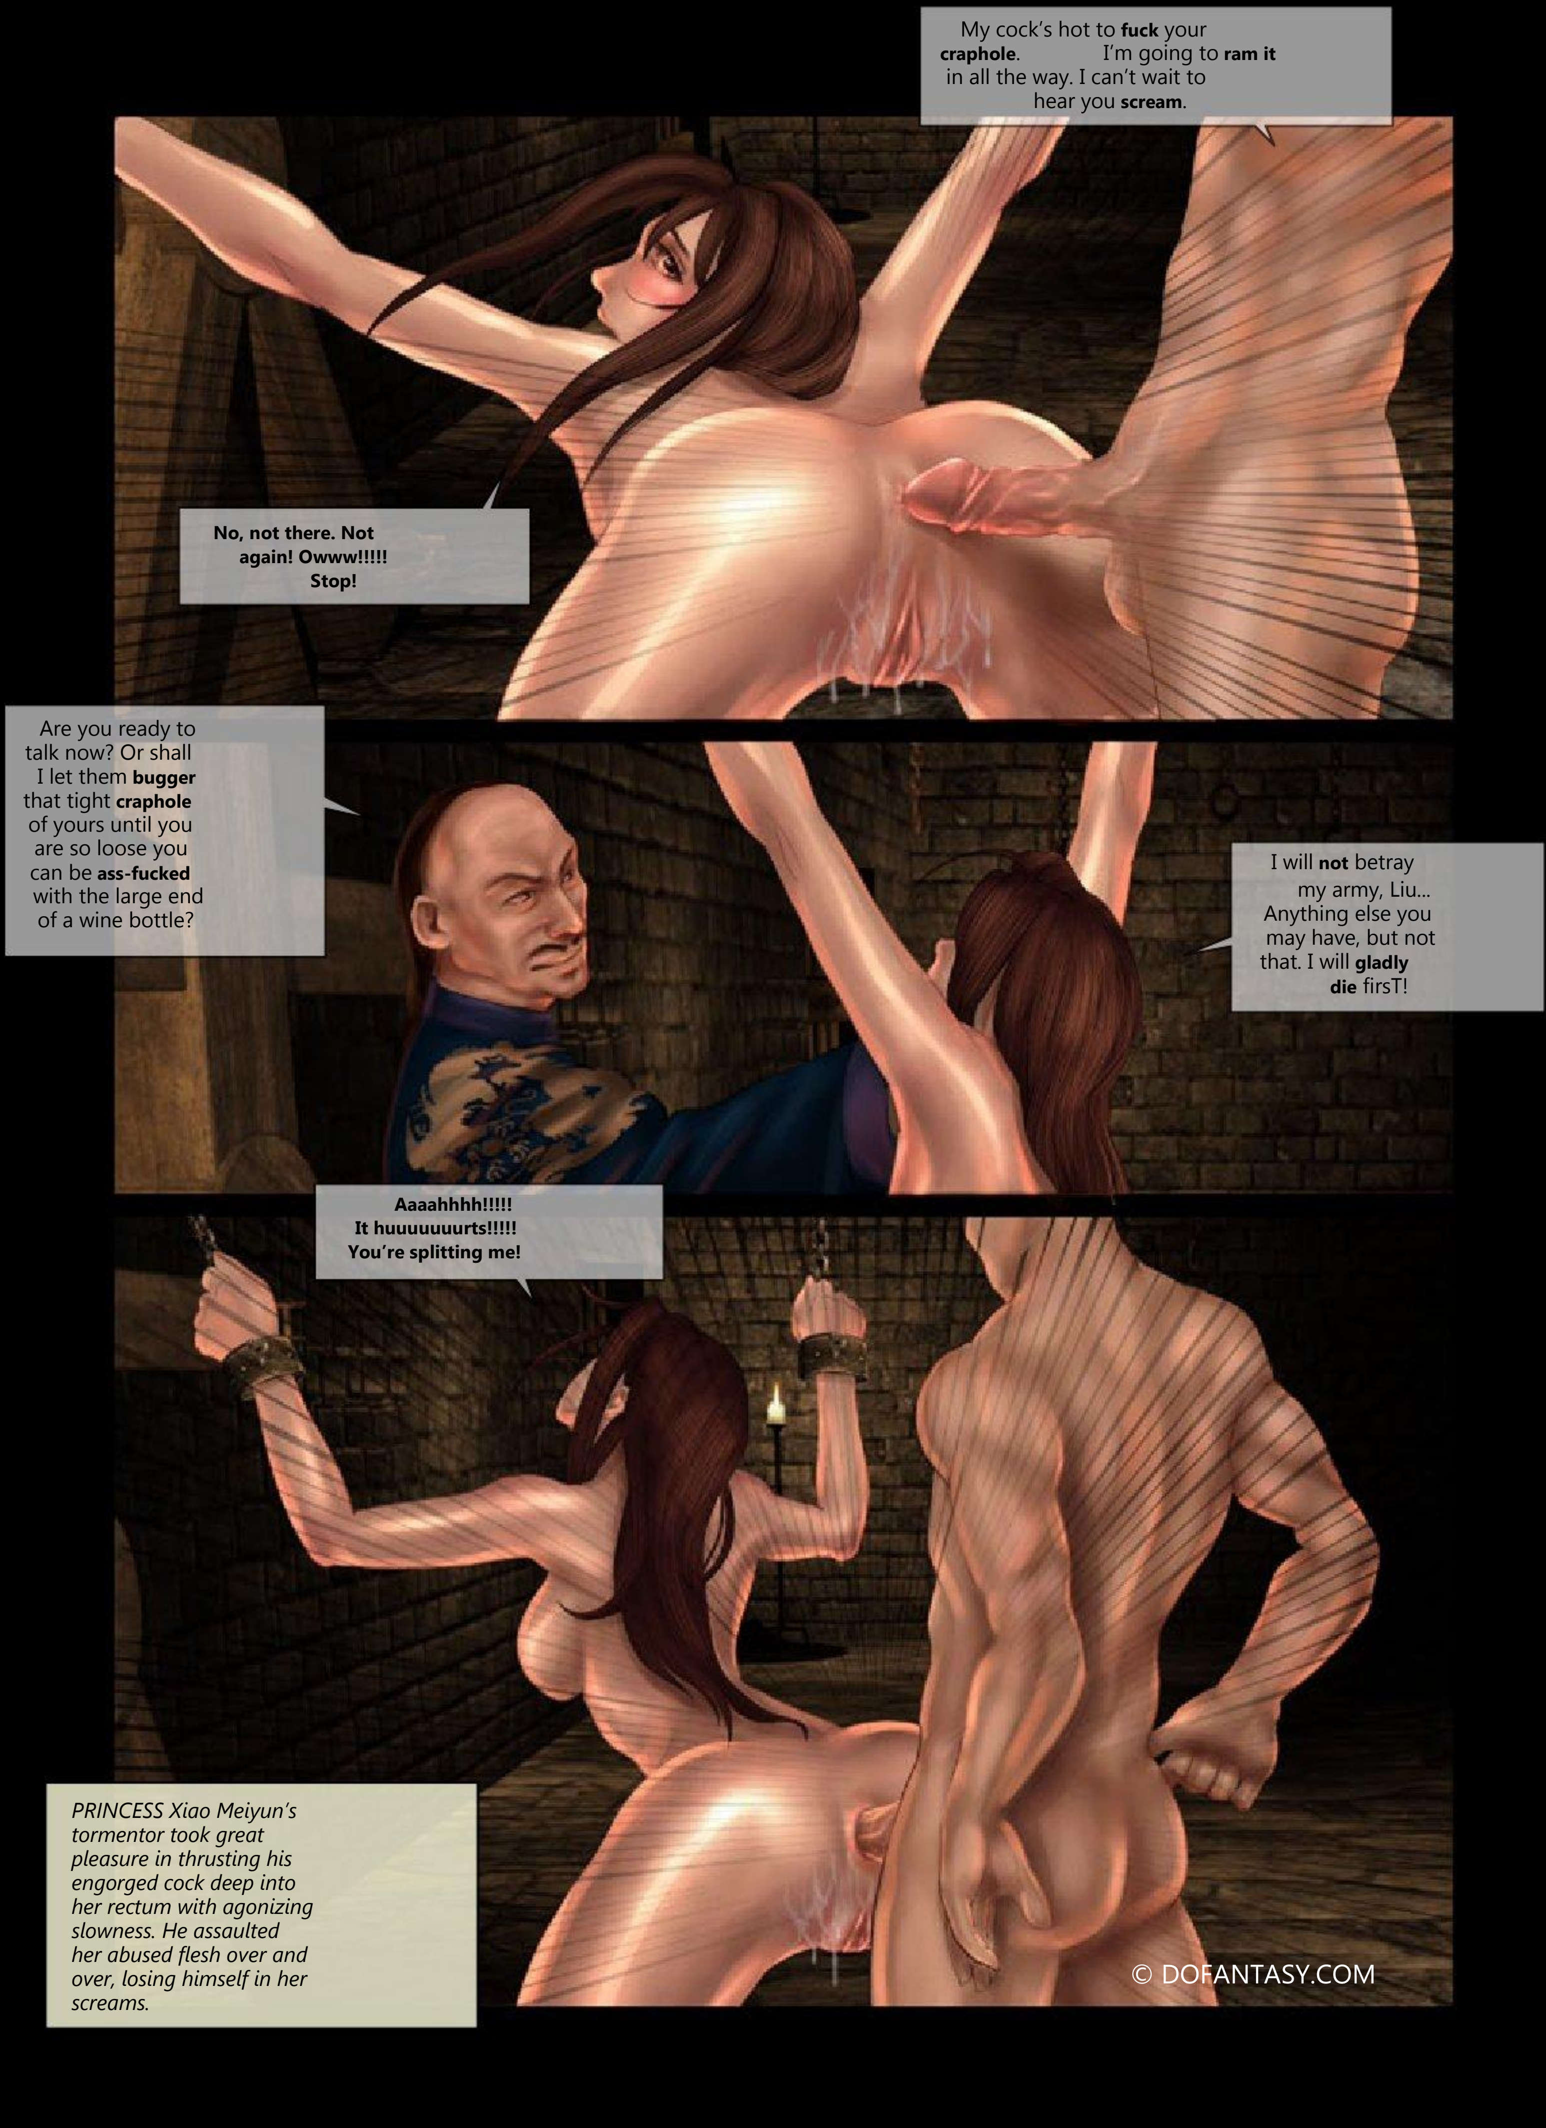

princess Xiao Meiyun had, of course, heard of the Devil's Horns. 10 huge men, invading every orifice of a woman's body simultaneously. It was a punishment devised by men who think women are fragile and easily destroyed. She had experienced exquisite pleasure in the arms of gentle lovers and had been forced to endure fucking at the hands of savage men. What difference could a few more make?

10 of General WangLun's biggest and cruelest thugs swarmed into the dungeon. They had eyes only for the naked and vulnerable woman chained in the center of the room.
Save some for me!
I get her craphole!
Me first!
I'll split her cunt wide open with my huge sword!
© DOFANTASY.COM
You are **animals** to ravage a helpless woman. Let me out of these chains and **let me defend myself!!!**

© DOFANTASY.COM
The guards, like a pack of starving animals, princess attack Xiao Meiyun from all sides. They are indeed the Devil's Horns ... each horn sharper, longer and more invasive than the last. No matter how she writhed and twisted, she could not escape them.
Get your hands off me. I am the Princess Xiao Meiyun..!!! Stop this!
Owww!!!! Please, stop!!

The degradation went on for hours. PRINCESS Xiao Meiyun was forced to suck the cock of every man fucking her. At the same time, men tore at her already agonizingly painful nipples, they bit and chewed at her full breasts. She was subjected to tit-fucking, huge pricks thrust into her tight asshole over and over without any lubrication. Her pussy was manhandled, her clit sucked and pulled and pinched. One inventive guard even fucked her foot, cumming all over her toes, then forcing her to suck them clean before he moved to another part of her ravaged body.
Chao, look at these **huge** ripe **melons**. Have you ever seen a better pair for **tit-fucking**?
Nips like ripe, plump berries, ready to be **plucked** and **eaten**!
© DOFANTASY.COM
The men left no part of PRINCESS Xiao Meiyun's tender body unspoiled. Her Royal blood did not protect her from their savageness. They treated her no differently than the lowliest of sluts sent to pleasure the army privates. Each time she fainted from abuse, she was forced awake to endure further perversions at their evil hands.
Feel that, **Royal bitch**? Feel my hands violating your precious **jewel box**. How do you like knowing anyone can **fuck** you now, **day** or **night**?

My cock's hot to **fuck** your **craphole**. I'm going to **ram it** in all the way. I can't wait to hear you **scream**.
No, not there. Not again! Owww!!!!! Stop!
Are you ready to talk now? Or shall I let them **bugger** that tight **craphole** of yours until you are so loose you can be **ass-fucked** with the large end of a wine bottle?
I will **not** betray my army, Liu... Anything else you may have, but not that. I will **gladly die** firsT!
Aaaahhhh!!!!! It huuuuuuurts!!!!! You're splitting me!
PRINCESS Xiao Meiyun's tormentor took great pleasure in thrusting his engorged cock deep into her rectum with agonizing slowness. He assaulted her abused flesh over and over, losing himself in her screams.
© DOFANTASY.COM

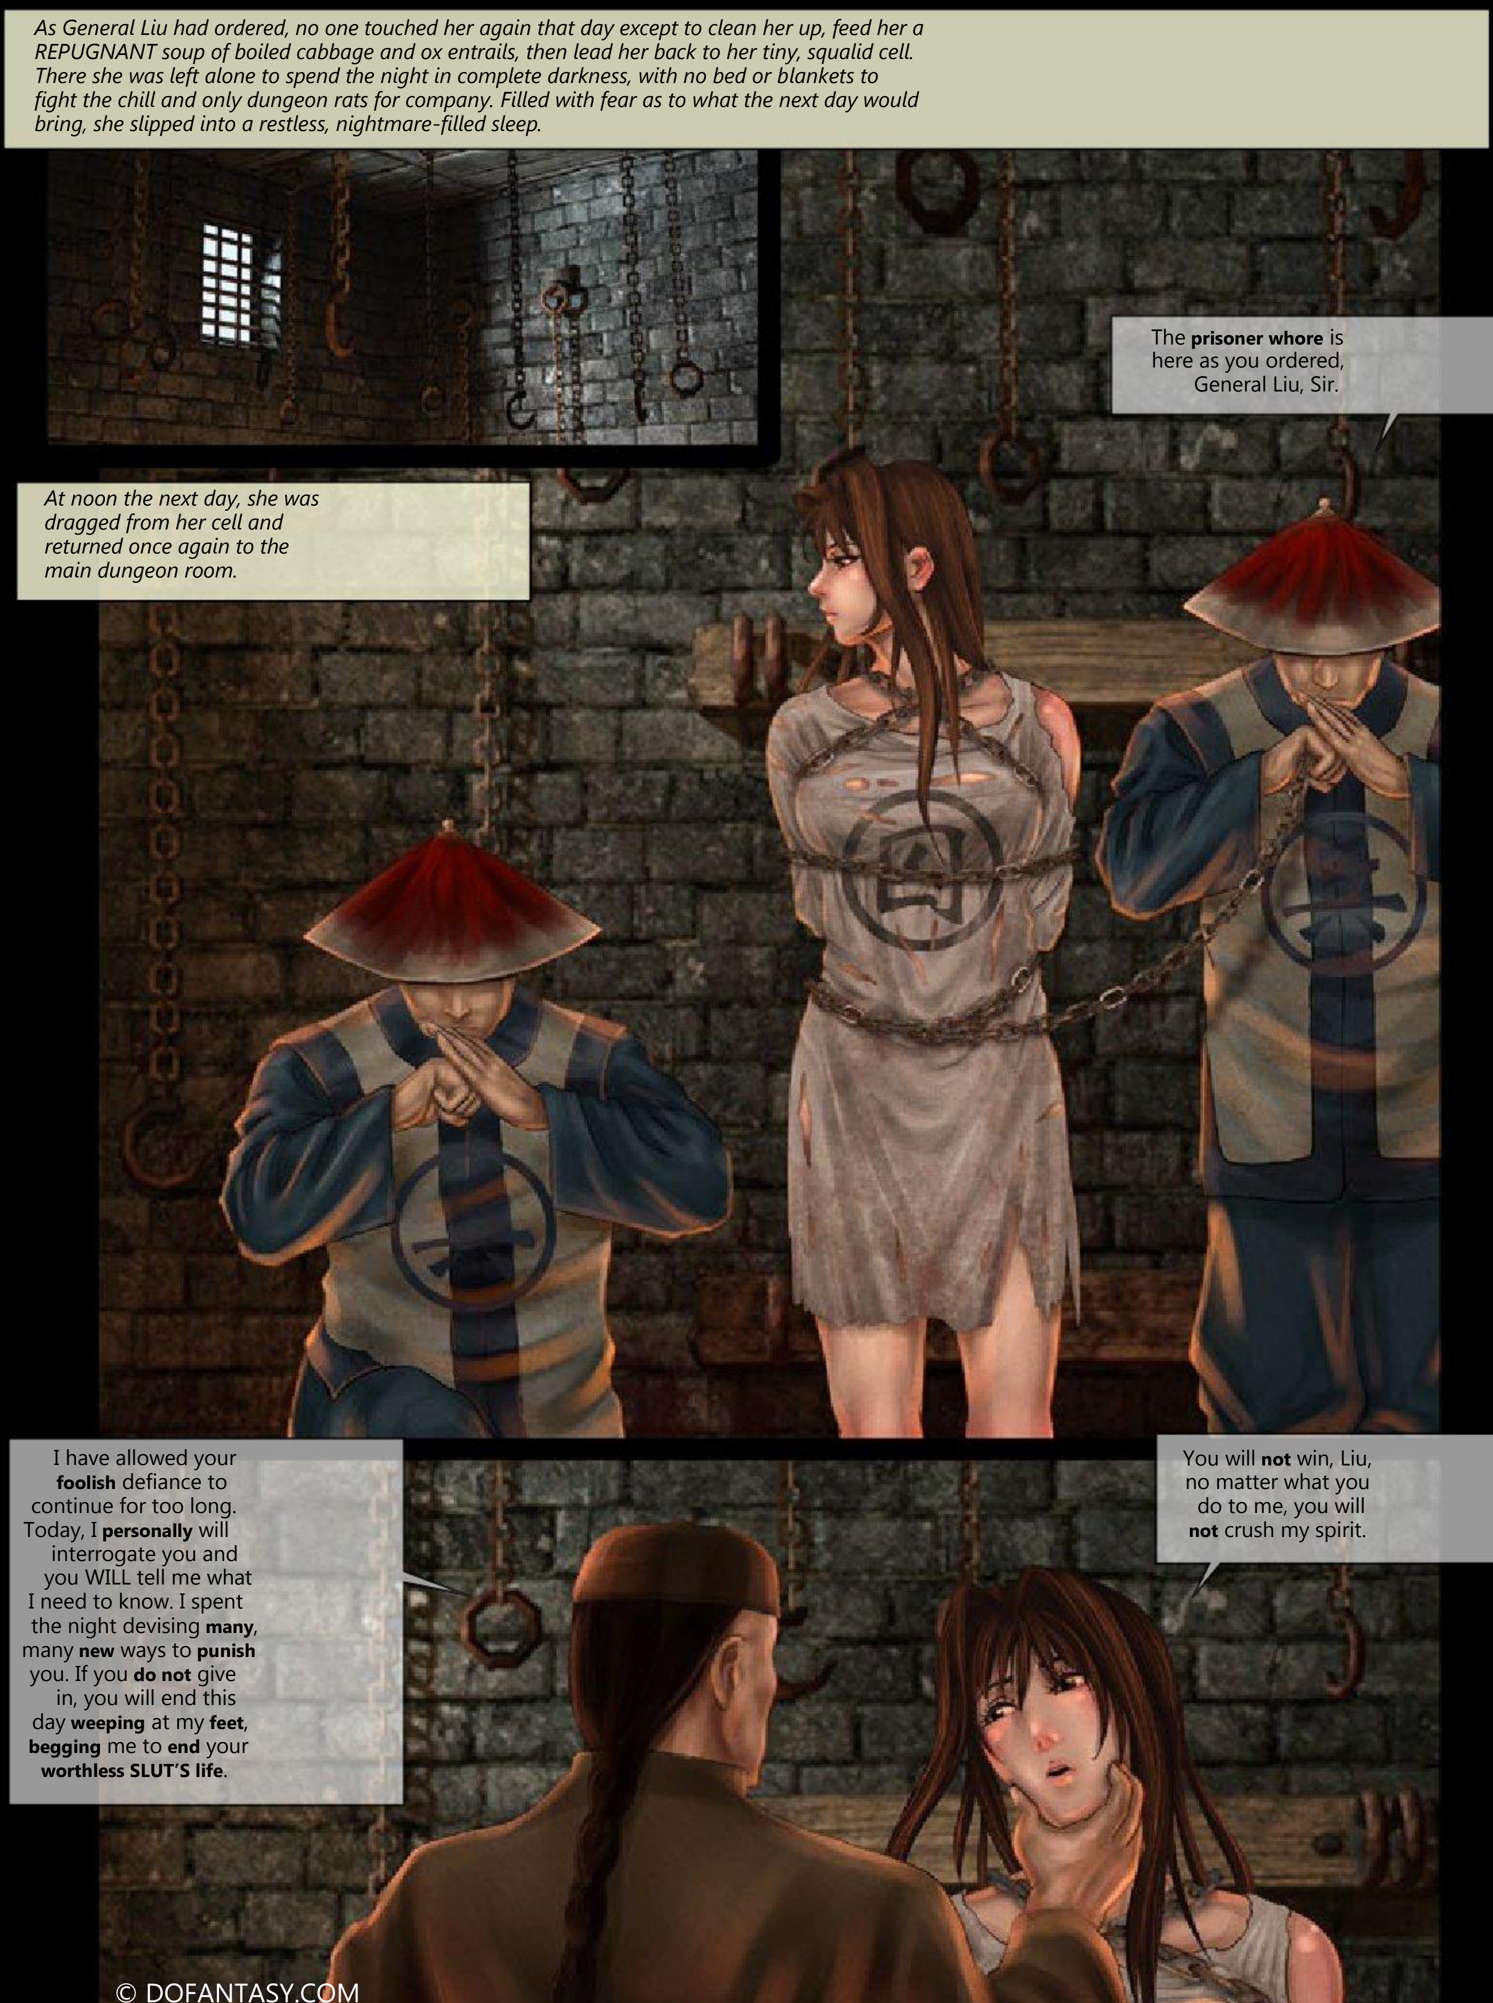

© DOFANTASY.COM

Despite her defiance, PRINCESS Xiao Meiyun at last succumbed to the sadistic attentions of the men defiling her. The last sensation she had before losing consciousness was the cold wet stones of the floor, slimy with the men's cum, roughly pressing into the tender skin of her back.

© DOFANTASY.COM

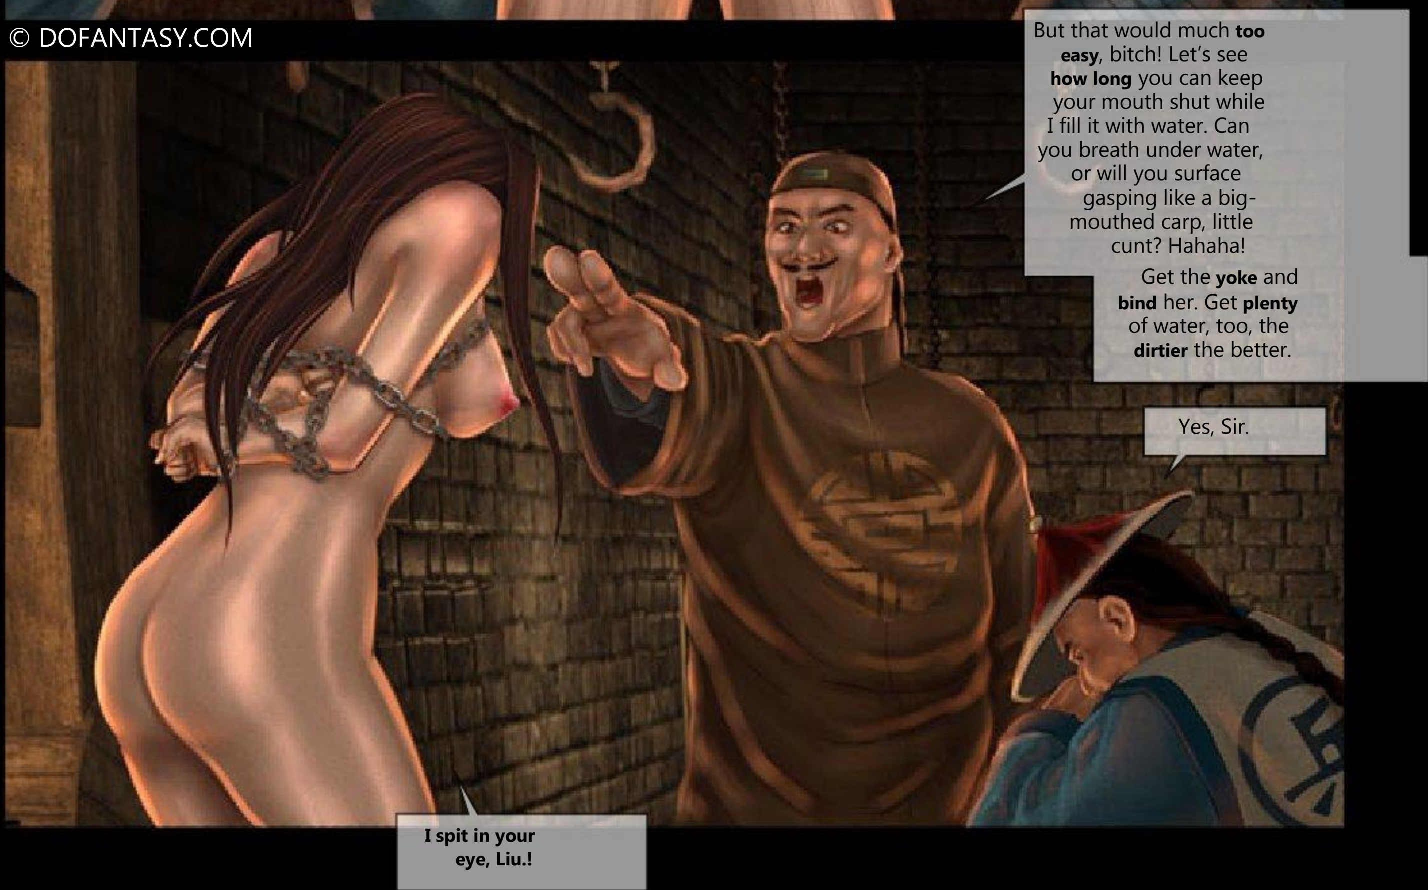

It would do no good to plead with him, she knew. He needed the military information that she carried in her head, but by now, her interrogation had turned into more than simple questioning. Now it was him against her. It had become very, very personal and she feared, in the end, she would lose. Tears slid slowly... but silently... down her cheeks as she quietly stared into Liu's cold eyes.

The guards are ordered to tear off her prison rags, which they do with pleasure, taking every opportunity to pinch and squeeze and abuse her tender flesh. Female prisoners are unusual: the guards are seldom given the chance to manhandle a beautiful young woman.

© DOFANTASY.COM

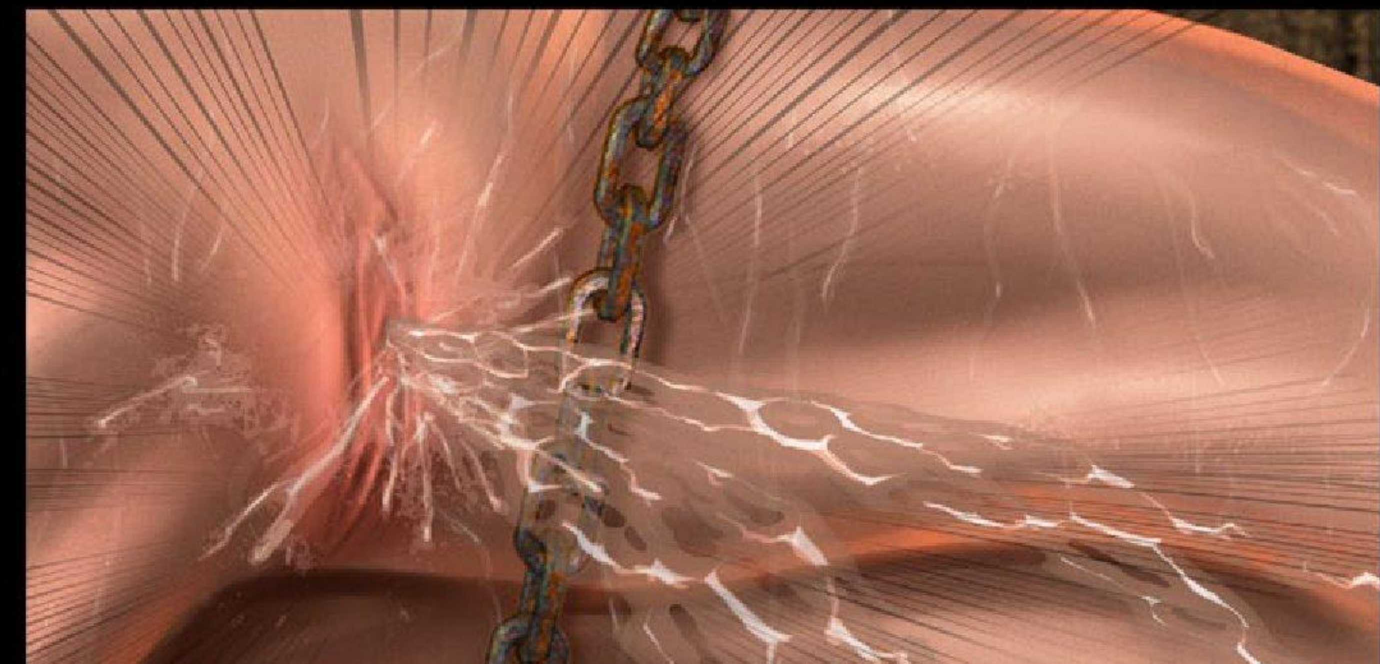

The guards quickly produce a heavy yoke made of rough wooden timbers. The yoke is fitted tightly over PRINCESS Xiao Meiyun's slender throat. Her hands are forced through small openings on each side of the yoke and the wooden pieces are bolted securely together. Buckets of dirty water collected from the castle's sewers are carried into the dungeon room and placed next to Xiao....
AAAGGGGGGG!!!
© DOFANTASY.COM
...A heavy chain is run through the yoke, wrapped cruelly around her full, ripe breasts before binding her feet to the backs of her thighs. She is soon trussed securely, her most private parts open to groping hands. A guard yanks her hair back, forcing Xiao Meiyun's mouth open to accept the filthy contents of the first bucket. A few minutes later, a full, second bucket of liquid is forced down her throat, as well.

© DOFANTASY.COM

Let’s see just how full you are? Do you feel the need to **piss**, **bitch**? Not until I say you can, **understand**?
No, please, no more. I cannot take any more.
I cannot help it. I am going to burst. Please, I have to pee, don’t punish me.
© DOFANTASY.COM

NOOOOOOOO!!!
Well, then, let's help it along, shall we? My, my, it's like hitting a tight punching bag. And look at the piss just streaming out of you. **HAHAHA**!!
Shall I punch it some more, my little **pisspot**?
© DOFANTASY.COM

Despite her embarrassment at relieving herself in such a public way, PRINCESS Xiao Meiyun could not stop the flow rushing out of her. She knew Liu was getting a great deal of satisfaction out of her humiliation. He was such a pig!

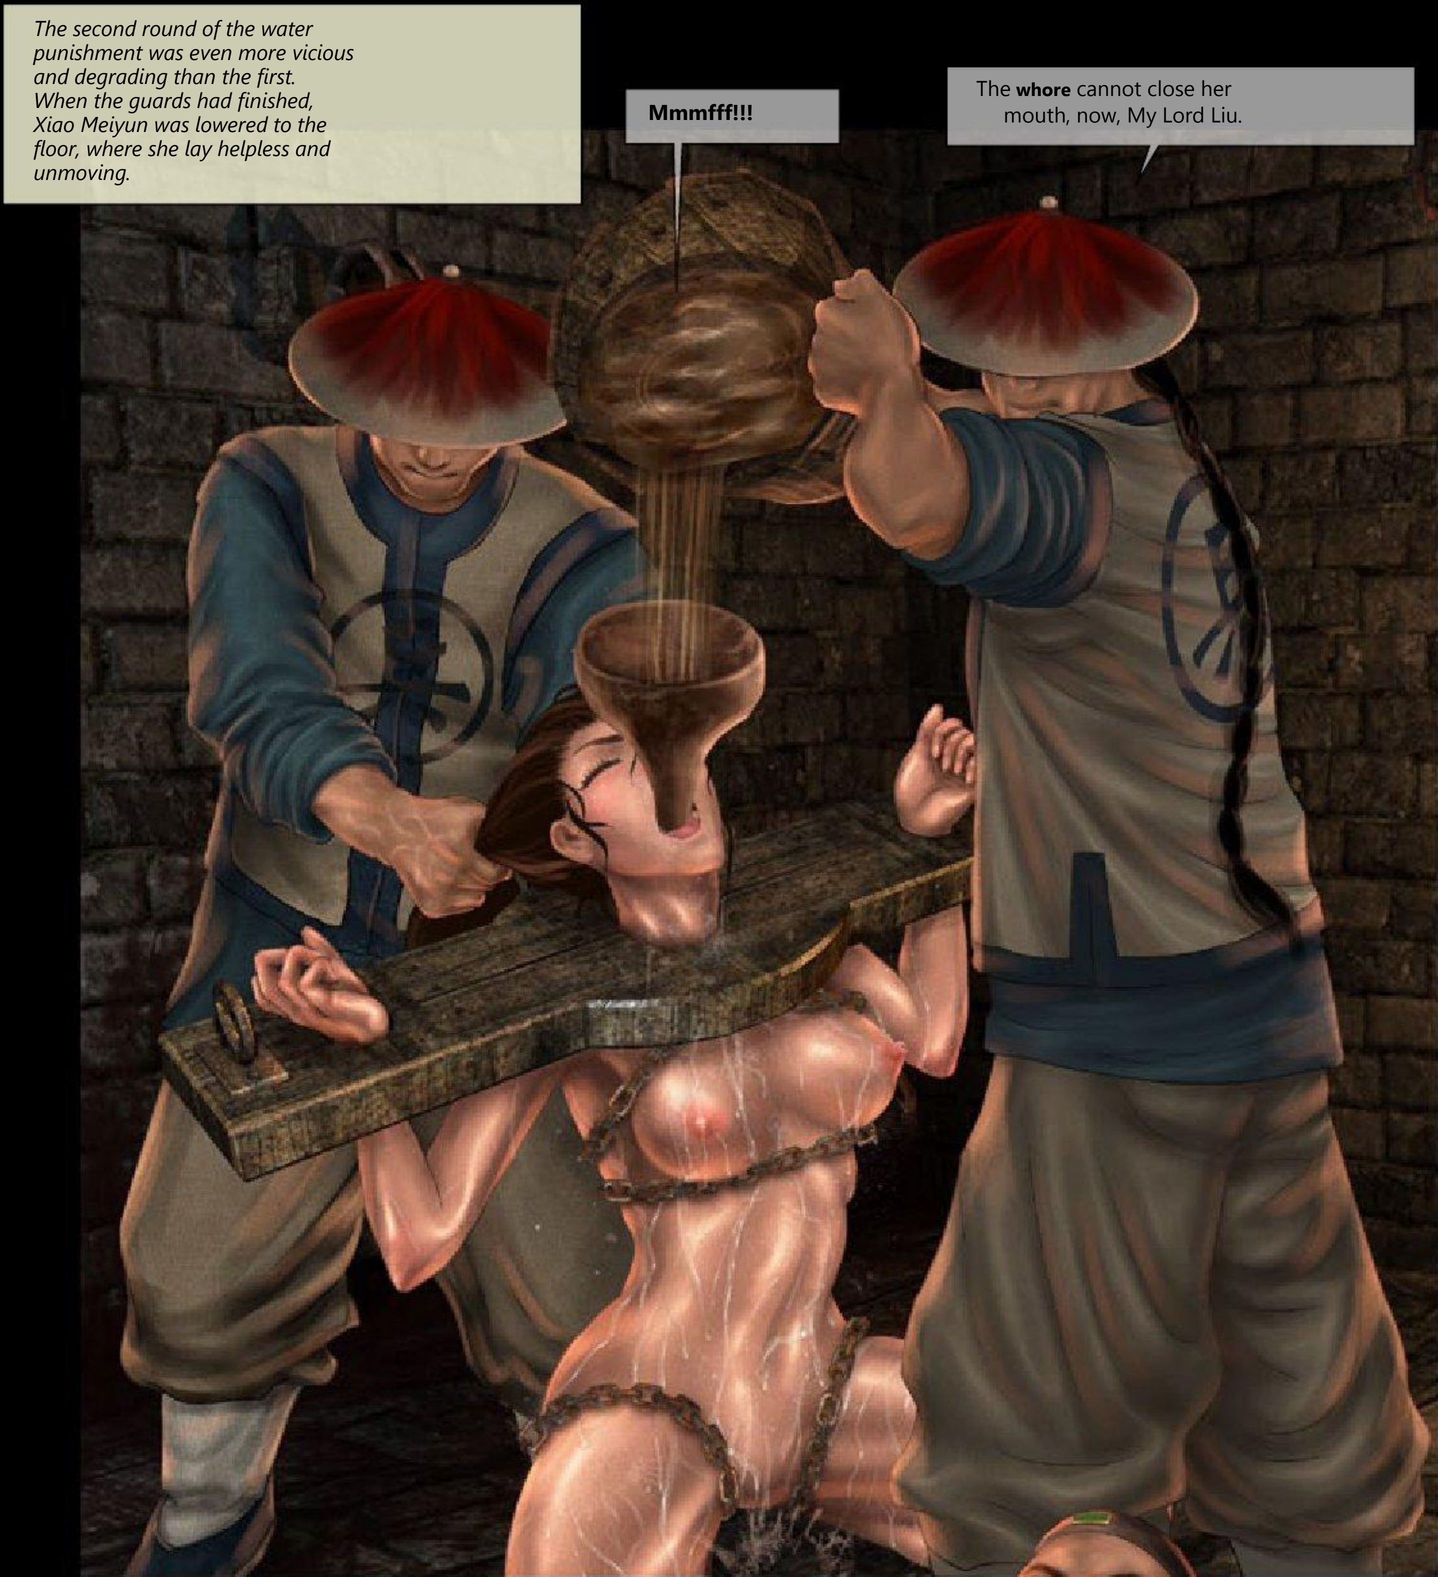

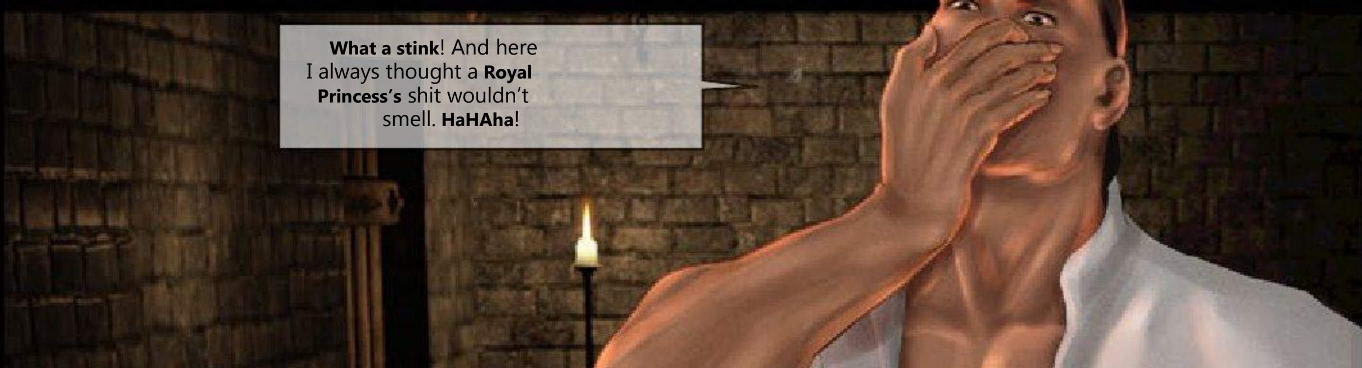

© DOFANTASY.COM

Uggghhh!!!!
Perverted monster, am I? I'm getting very tired of your mouth. Perhaps the feel of my fist again will shut you up. You need to learn your place, **bitch**.
© DOFANTASY.COM
It took a full five minutes for PRINCESS Xiao Meiyun's YOUNG body to rid itself of the dirty, slimy water she'd been forced to drink.

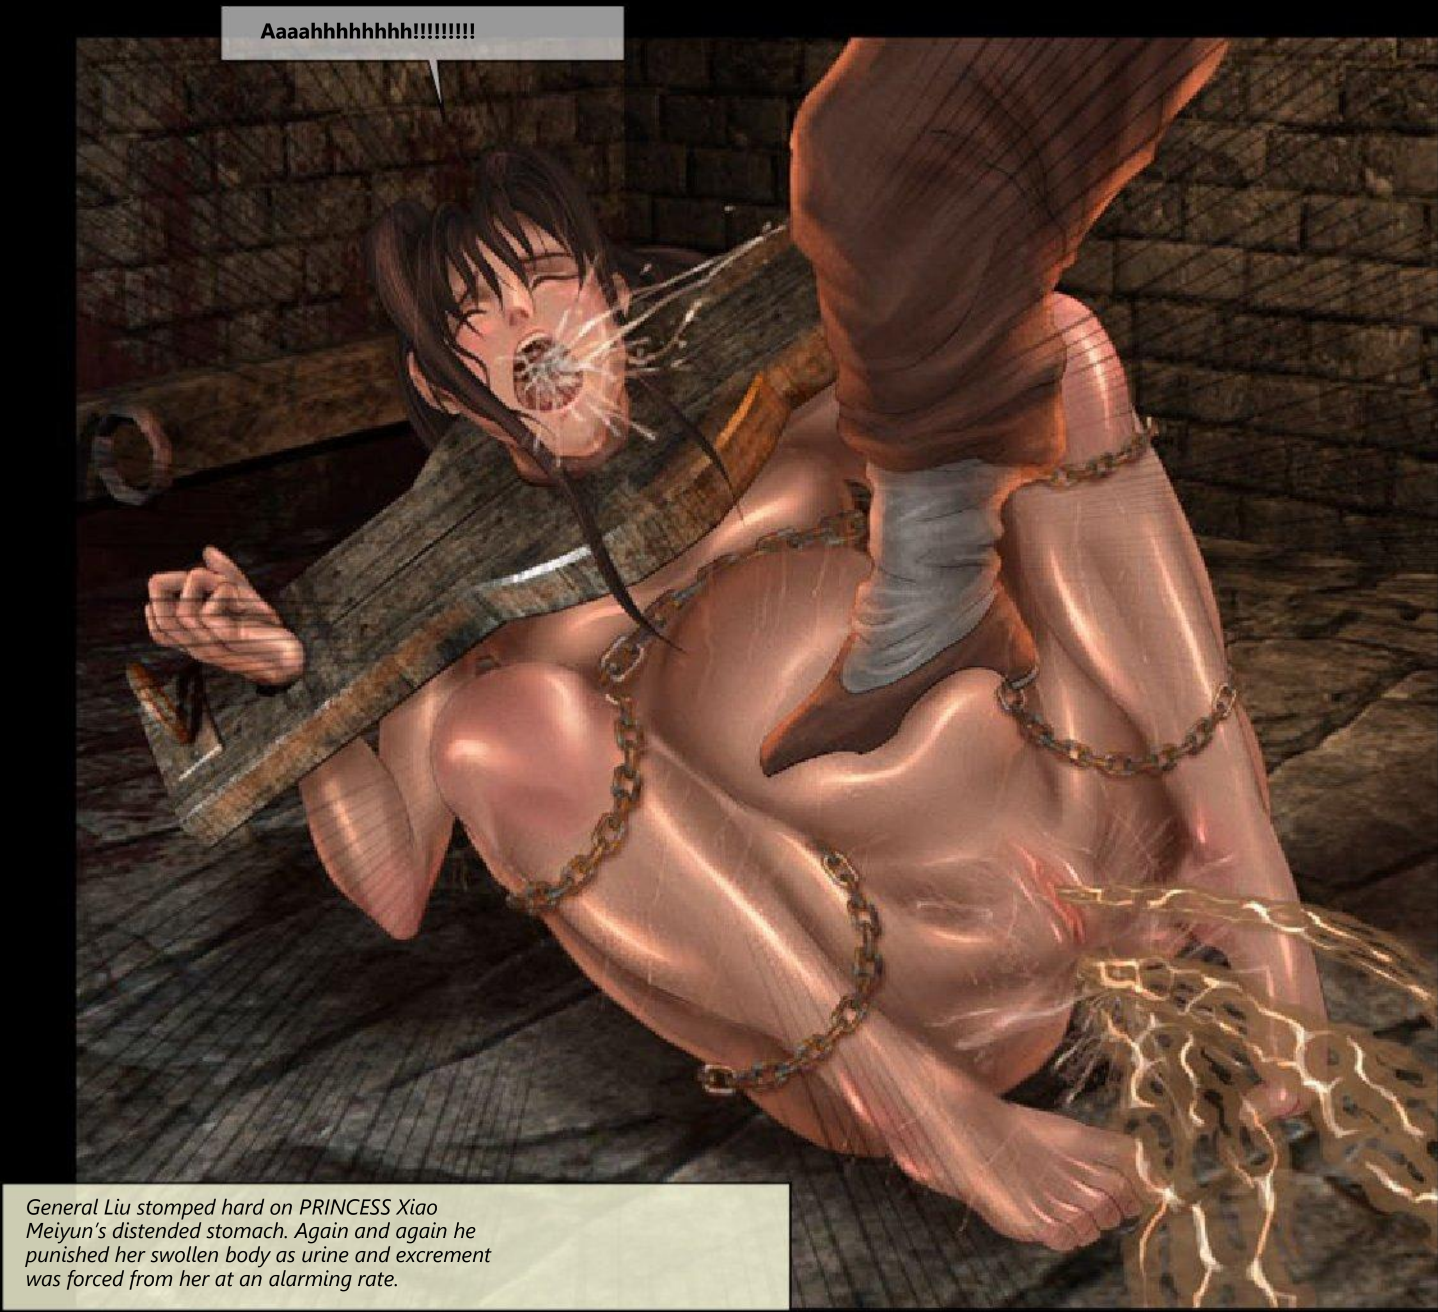

© DOFANTASY.COM

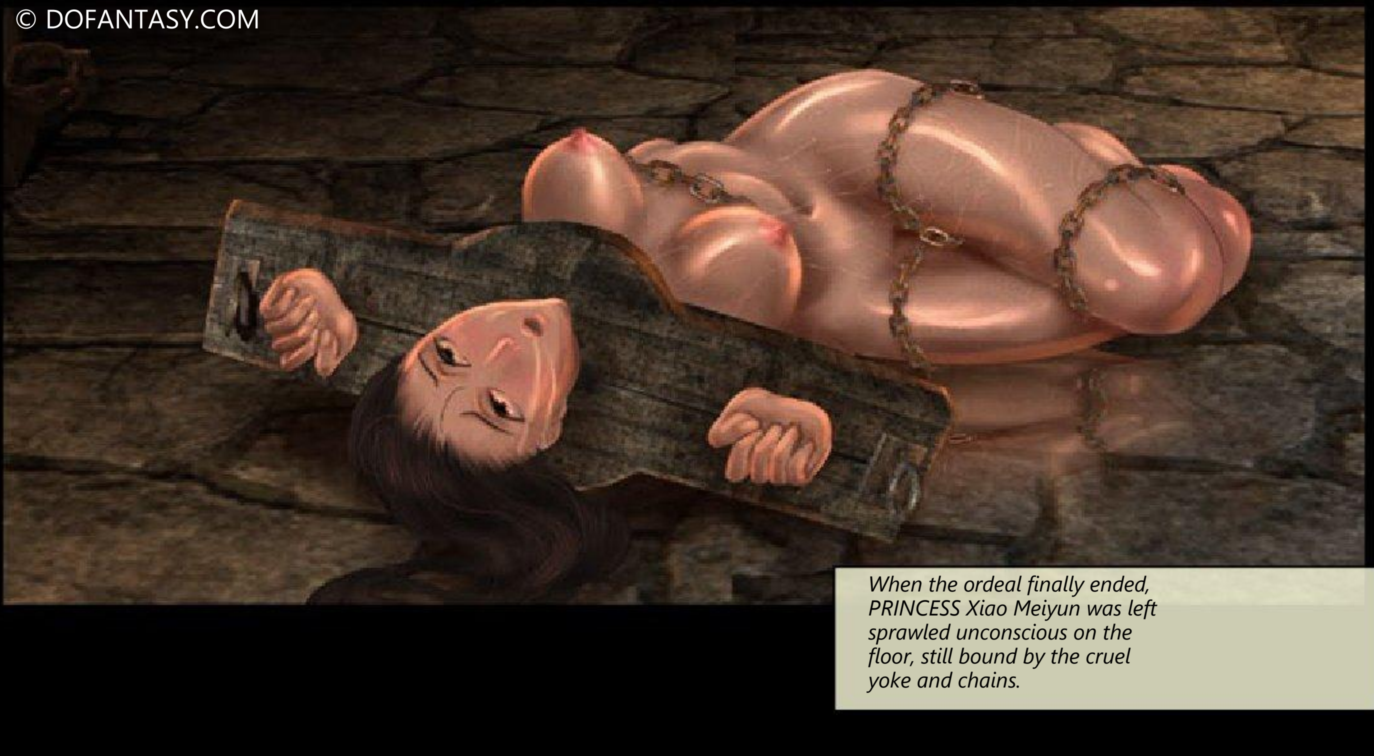

The second round of the water punishment was even more vicious and degrading than the first. When the guards had finished, Xiao Meiyun was lowered to the floor, where she lay helpless and unmoving.
Mmmfff!!!
The whore cannot close her mouth, now, My Lord Liu.

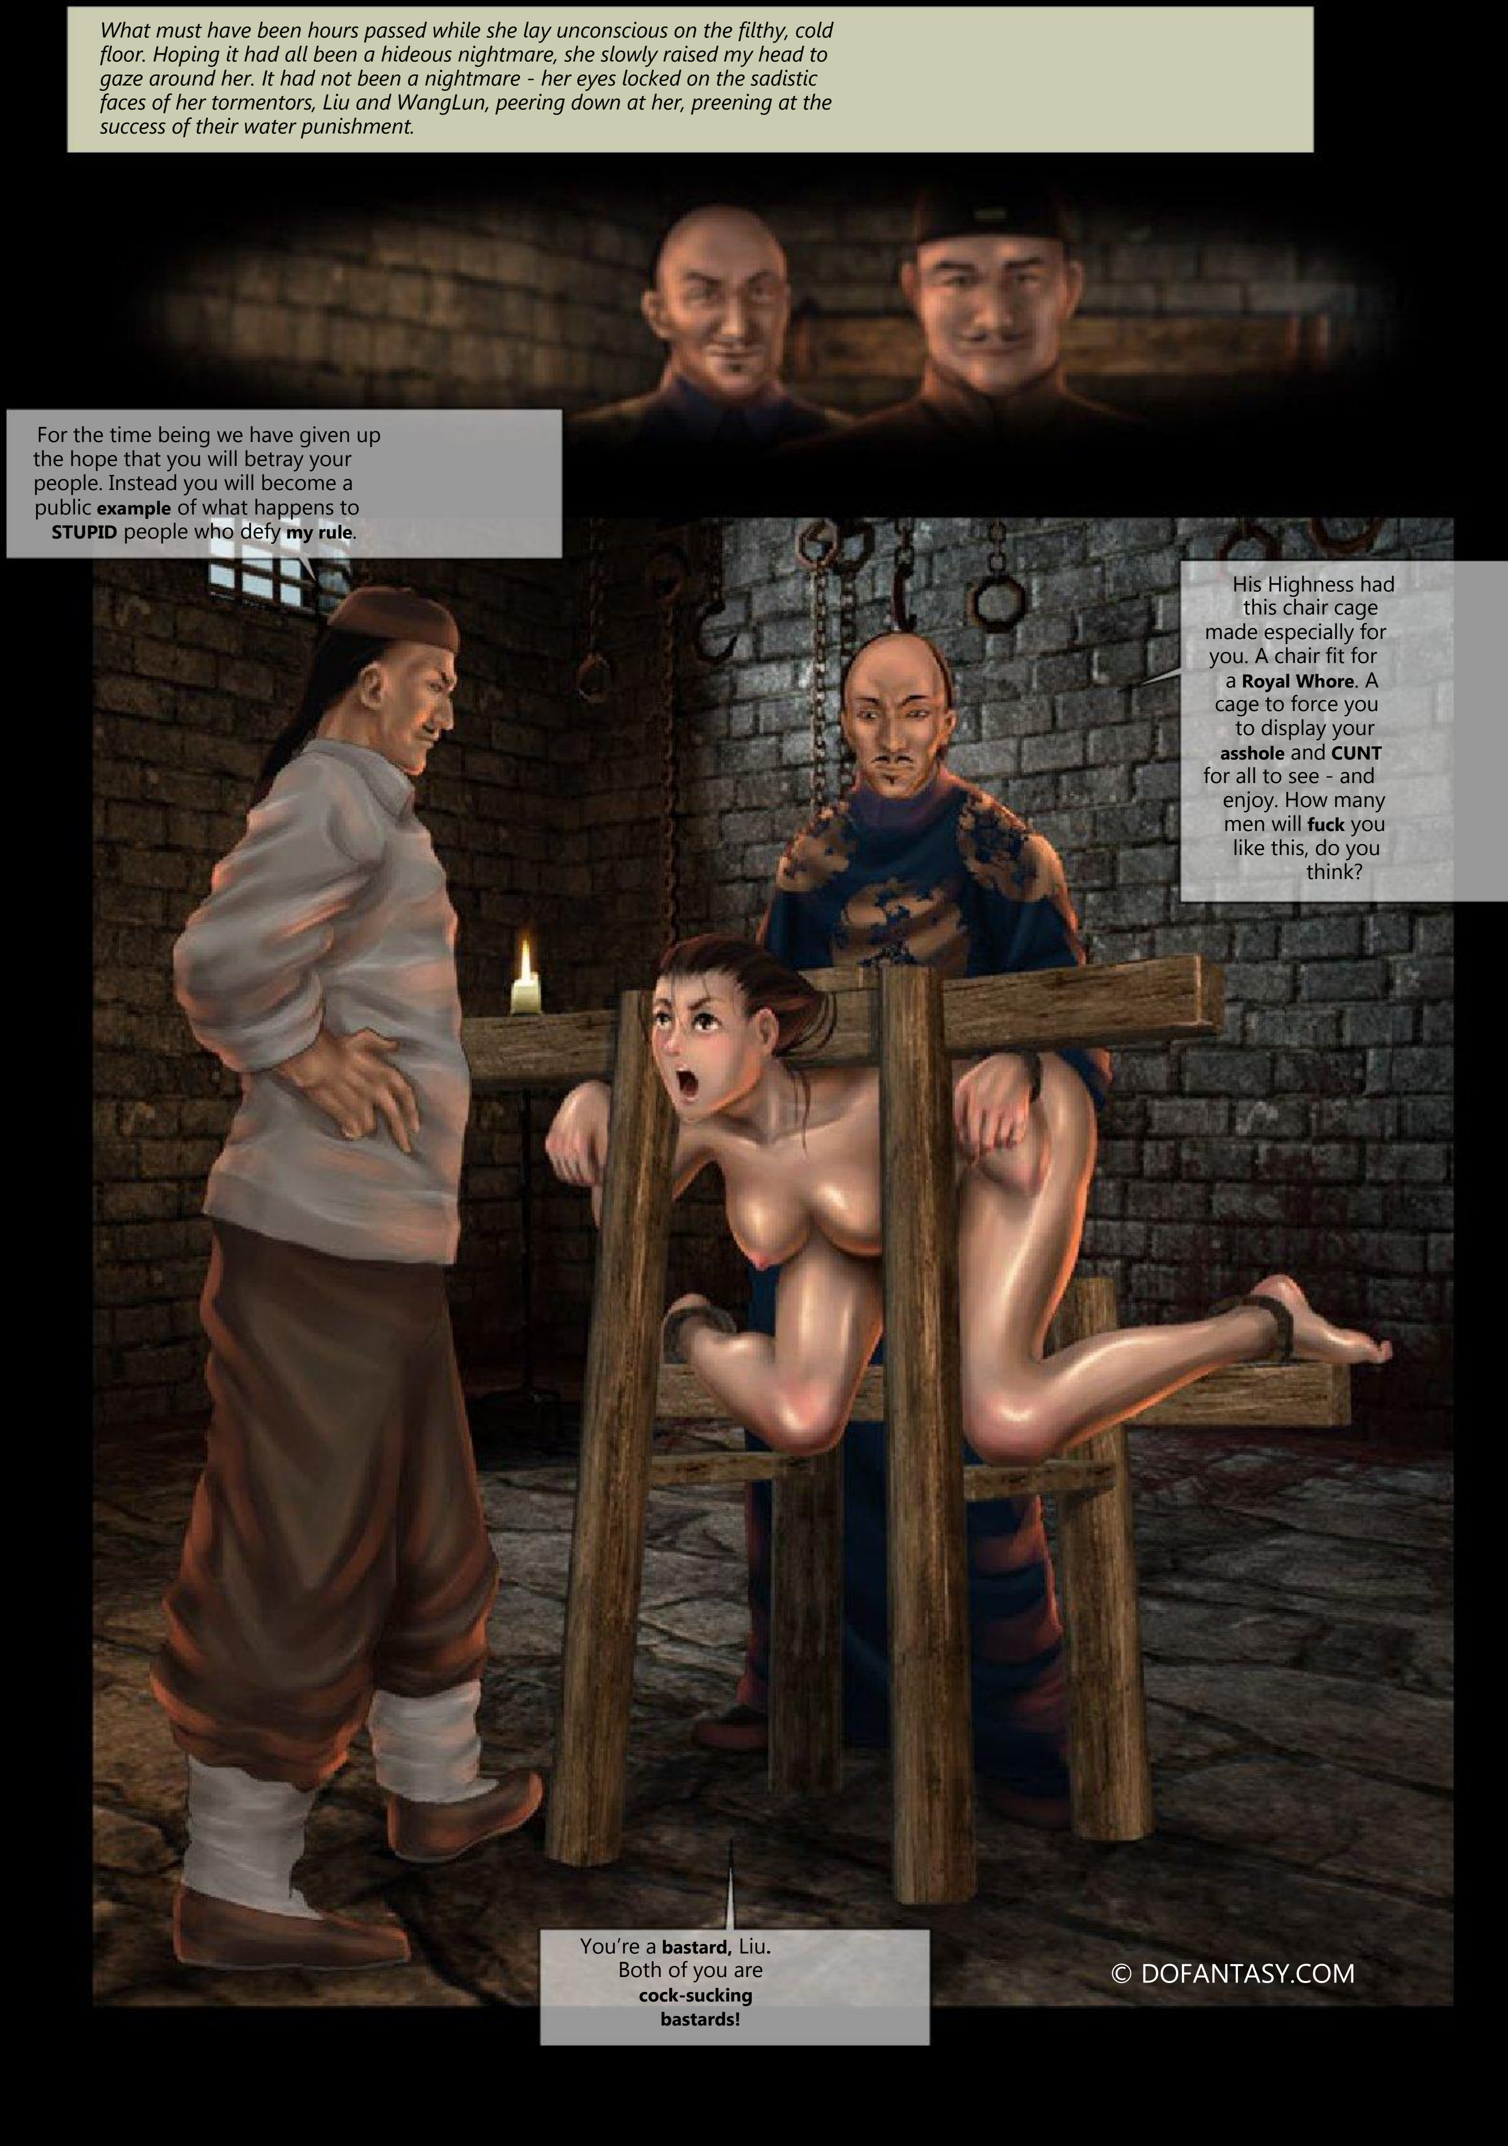

What a stink! And here I always thought a Royal Princess's shit wouldn't smell. HaHAha!
© DOFANTASY.COM

As before, PRINCESS Xiao Meiyun's belly was a huge, distended ball. Her once beautiful, slender body had become gross and disgusting.
Choke! gasp! cough!
© DOFANTASY.COM
NOOOOOOO!!!
See how easily I **squash** your **breast** under my **foot**, **whore**? Tell me what I want to know or I'll **stomp** on that **ugly belly**. We'll see if my feet get results faster than my fists did, shall we, **royal slut**?

© DOFANTASY.COM

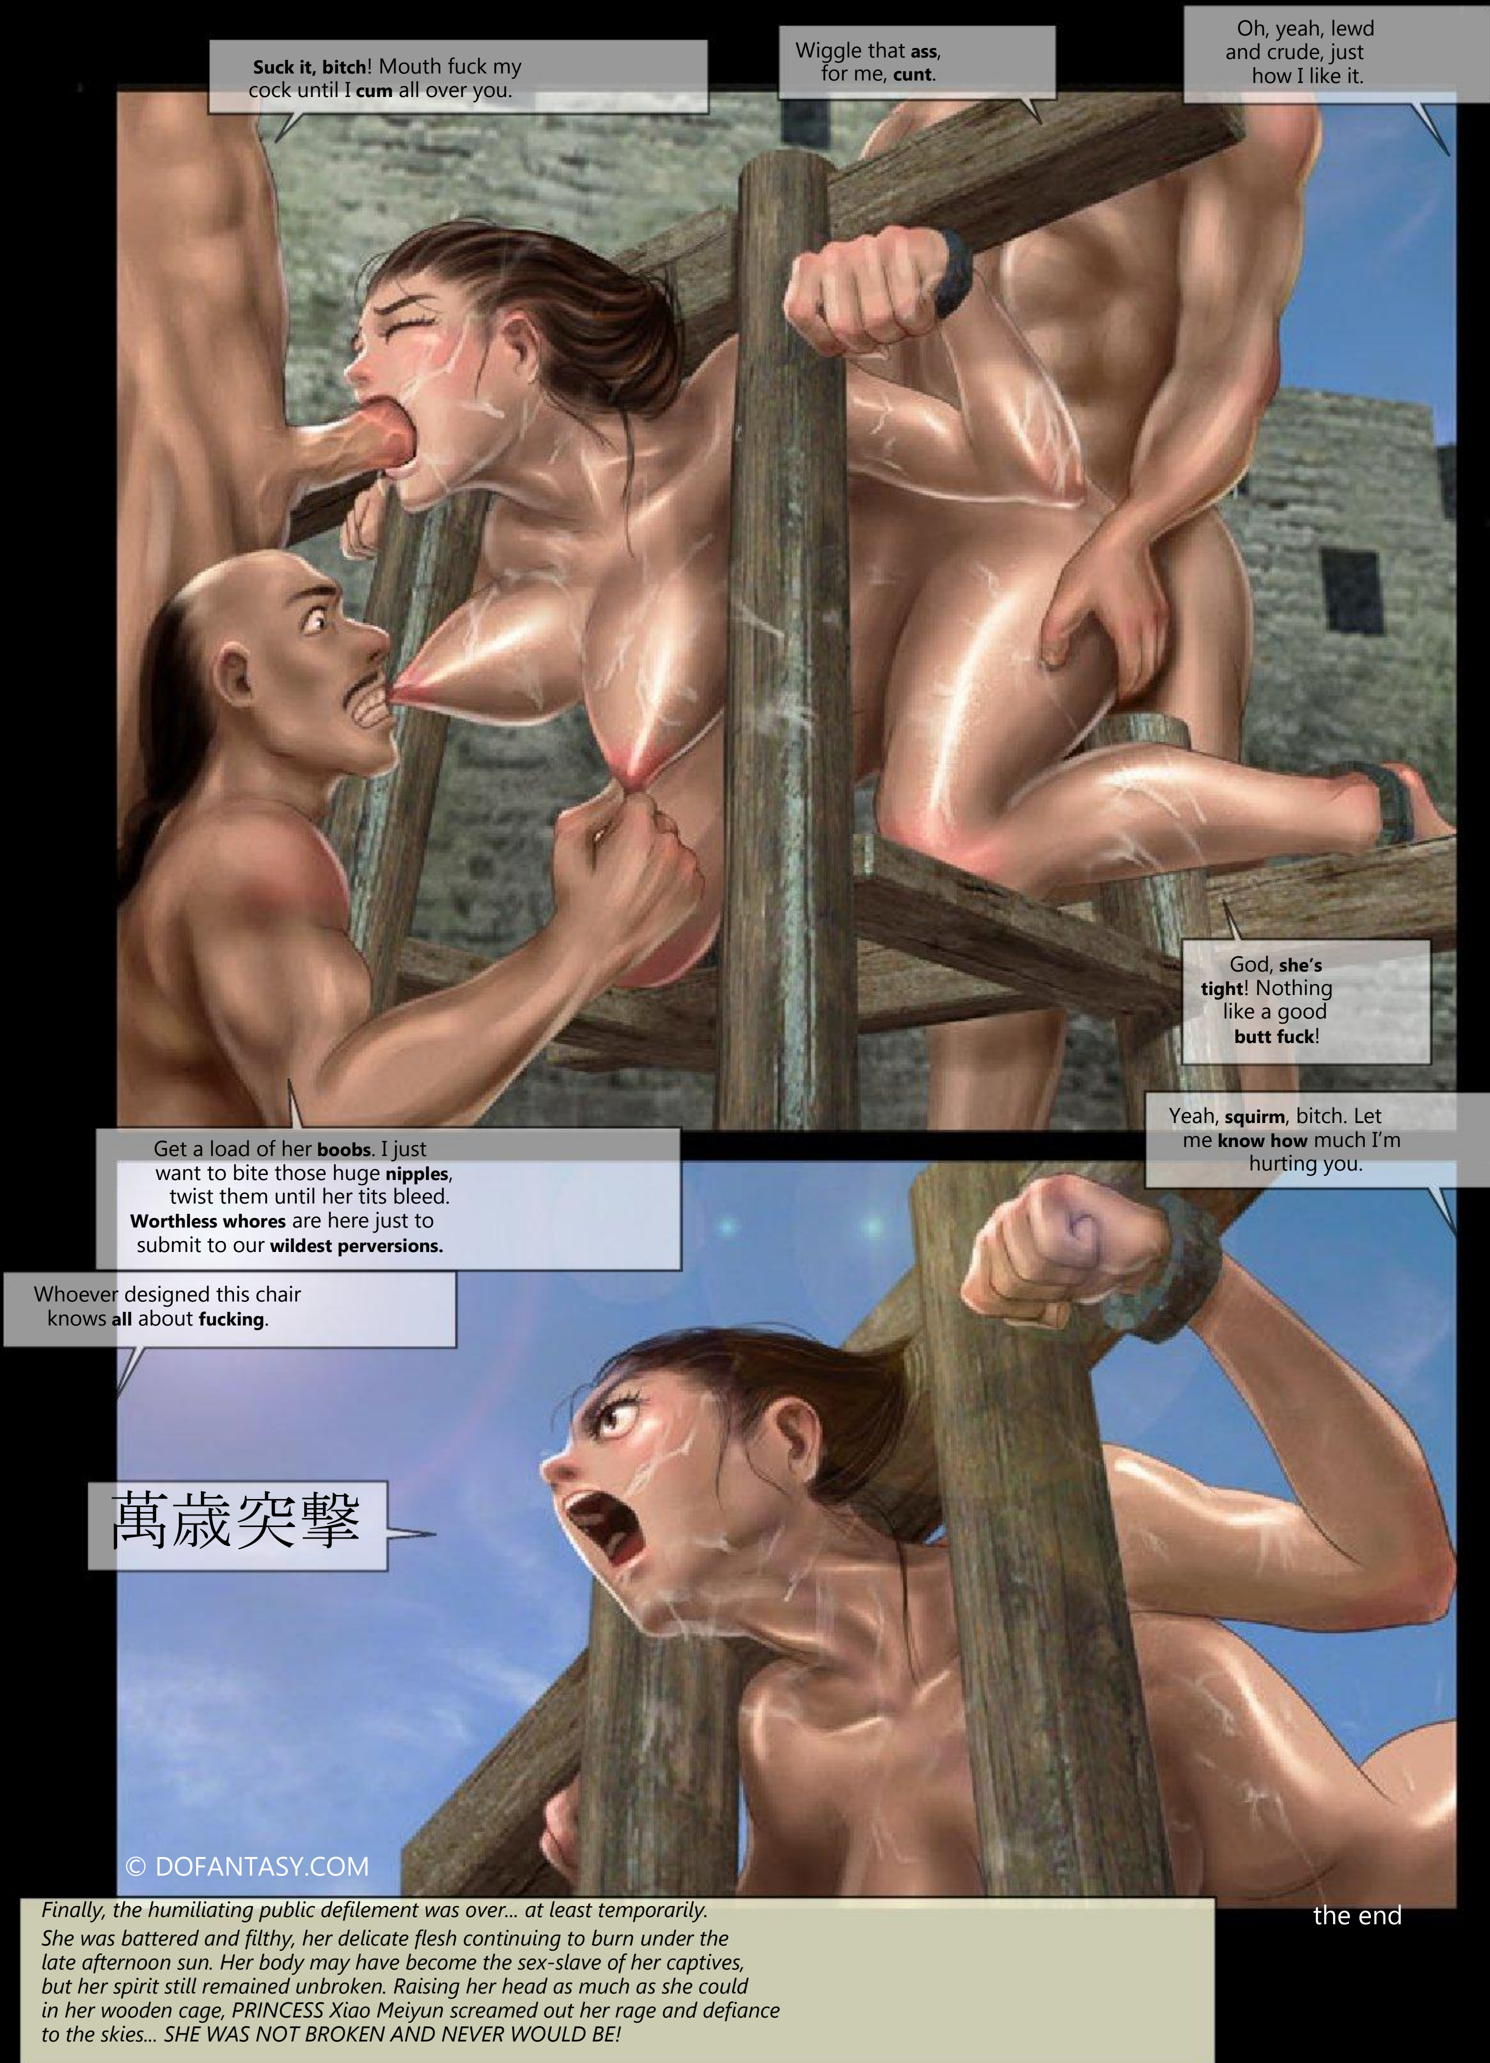

What must have been hours passed while she lay unconscious on the filthy, cold floor. Hoping it had all been a hideous nightmare, she slowly raised my head to gaze around her. It had not been a nightmare - her eyes locked on the sadistic faces of her tormentors, Liu and WangLun, peering down at her, preening at the success of their water punishment.
For the time being we have given up the hope that you will betray your people. Instead you will become a public **example** of what happens to **STUPID** people who defy **my rule**.
His Highness had this chair cage made especially for you. A chair fit for a **Royal Whore**. A cage to force you to display your **asshole** and **CUNT** for all to see - and enjoy. How many men will **fuck** you like this, do you think?
You're a **bastard,** Liu. Both of you are **cock-sucking bastards!**
© DOFANTASY.COM

Let's see how mouthy you are after a day spent in front of the main gate to the city. **Anyone** will be allowed to sample your **dubious** charms ... **at no charge**! A worthless **whore** should be free for *anyone,* don't you think?
SLAP!
Go to Hell, Liu!
Take her out to the gate! I've had enough of her foul mouth. Let her put it to better use servicing the peasants.
Yes, Your Highness.
© DOFANTASY.COM

PRINCESS Xiao Meiyun was quickly carried out of the dungeon, through the streets and dumped into the field outside the main gate. The hot summer sun blazed in a cloudless sky and quickly began to burn the most tender parts of her body.. places that had never before been exposed to the sun's rays. After untold weeks or months in Liu's dungeon, she was unrecognizable as the Princess Xiao Meiyun. Had Liu not made sure that everyone knew exactly who she was, she would have easily been mistaken for just another faceless, dirty, beaten woman. Was this then to be her life from now on, lewdly exposed to any who cared to use her?

Suck it, bitch! Mouth fuck my cock until I cum all over you.
Wiggle that ass, for me, cunt.
Oh, yeah, lewd and crude, just how I like it.
God, she's tight! Nothing like a good butt fuck!
Get a load of her boobs. I just want to bite those huge nipples, twist them until her tits bleed. Worthless whores are here just to submit to our wildest perversions.
Yeah, squirm, bitch. Let me know how much I'm hurting you.
Whoever designed this chair knows all about fucking.
萬歲突擊
© DOFANTASY.COM
Finally, the humiliating public defilement was over... at least temporarily. She was battered and filthy, her delicate flesh continuing to burn under the late afternoon sun. Her body may have become the sex-slave of her captives, but her spirit still remained unbroken. Raising her head as much as she could in her wooden cage, PRINCESS Xiao Meiyun screamed out her rage and defiance to the skies... SHE WAS NOT BROKEN AND NEVER WOULD BE!
the end
